MARCH

7TH MATT & KIRSTY GROGAN

Matt and Kirsty had problems getting to us with the closure of the A23 and found themselves touring the different areas of Surrey and Sussex. Still they arrived safely and had an amazing evening. A newish person in the audience

brought a couple of raffle prizes and packet of toilet rolls and hand sanitisers. What a great laughter we had before the evening started. One lady

wanted to spend her birthday night at the lantern, and yes Lesleigh had baked a cake without her knowing, Chocolate this time yum yum.

Lesleigh did her warm up with 2 new ladies experiencing the Lantern for the first time, Lesleigh said have you been to a clairvoyant evening before "yes

"one said, I bet it wasn't like this "Hell God no" she said, but the both of them had an uplifting evening, and a message.

Kirsty started the evening with her vivacious manner, which was very uplifting, with a round of applause given after each message.

Matt and Kirsty worked with different links proving beyond doubt that their loved ones were close to them. The banter between the Kirsty and a couple was truly awesome.

Just one very special evening with both Matt and Kirsty enjoying the evening and the congregation relaxing into an awesome evening.

Thank you, Matt and Kirsty, for travelling to serve the centre and for your amazing work tonight.

~

14TH SUE SMITH

Little did we know that this would be our last evening for a while and what an evening we had.

This was a fantastic evening, an Evening never experienced before at the Lantern, but one we will experience again for sure.

An evening of TAROT and spirit communication.

First Lesleigh explained that all Mediums are psychic, but not all psychics are mediums. Sue is an amazing psychic as well as a medium explained the history briefly about the origin of Tarot. The evening went like this, Lesleigh picked out a raffle ticket, Malcolm then got the person to shuffle and pull out 2 cards, that were then given to Sue, who started straight away in giving the person a reading, then allowing Spirit to come through. People were amazed by the tarot reading, they like to hear something about themselves, although spirit can see the bigger picture, then when a loved one came through a complete bonus for the sitter. We do love to push the boundaries

With spirit at the Lantern.

Thank you, Sue, for your work tonight, it was amazing to experience and reading your comments on Social media, you enjoyed it too

CRAWLEY SPIRITUALIST CHURCH,

GOSSOPS GREEN CRAWLEY

WEST SUSSEX RH11 8HL

SUNDAY 1ST MARCH @6.30PM

SERVICE WITH SPIRIT ART

It is always a pleasure to visit Crawley, there is always a warm welcome. There was a few people drifting in and slowly they were settling themselves down. The church had to close for a couple of weeks because of the weather. So all systems go and a beautiful service was experienced. The reading and

address was very powerful with people really thinking what spirit wanted us to hear and how we could change things in their world to make things go more smoothly.

Malcolm gave a few messages which were accepted with love and Lesleigh did a couple of drawings which were accepted. One guy was totally blown away by his message and drawing and his friend spoke to Lesleigh about spirit. It is wonderful to see young people acknowledging the fact that spirit communication is real.

A great evening thank you spirit.

MONDAY 2ND MARCH @7.30PM

DEMONSTRATION OF MEDIUMSHIP AND SPIRIT ART

What an amazing evening, the room was filling up and listening to Darren have a banter with his congregation was lovely, certainly raising the energy. They now work just with candle light which brought forward a lovely glow to the room, but Lesleigh had to use her light otherwise no one would of seen the drawings. Malcolm gave some amazing evidence with people confirming what he was saying. I am sure new people find it comforting when listening to people confirming if they themselves do not get a personal message. It is life changing. Lesleigh did 3 drawings which were accepted and recognised with her information blowing one lady away.

Thank you spirit for being there for us tonight.

PHOENIX CHRISTIAN SPIRITUALIST SANCTUARY
ST. JOHN'S AMBULANCE HALL,
OFF OF FORD ROAD. FORDWATER TRADING ESTATE,
CHERTSEY, SURREY, KT16 8HG
WEDNESDAY 4TH @7.30PM

DEMONSTRATION OF MEDIUMSHIP AND SPIRIT ART

What a horrendous journey, the rain lashing down, the pot holes in the road, one Malcolm skimmed the edge, but Lesleigh could see it and if the car was a few centimetres over we would have been in a large deep ditch cause by the road braking away.

Again a good crowd ventured out but Lesleigh with her banter spied an inch of santised liquid in a bottle and tried to auction it before the dem, which did raise the energy. The hall is a St John's ambulance hall, still it raised the energy. Malcolm worked with a few giving beautiful messages and off the

wall evidence while lesleigh did a couple of drawings which were given off at the end, with a couple of people acknowledging them,
The journey home was not as bad, but still not pleasant.
Thank you spirit

MAIDSTONE INDEPENDENT CHRISTIAN SPIRITUALIST CHURCH
100/100A TONBRIDGE ROAD,
MAIDSTONE, KENT ME16 8SL
SUNDAY 8TH MARCH @6.30PM
DIVINE SERVICE WITH SPIRIT ART

It is always lovely to serve this church, we had a good congregation.

Malcolms address was on fear, and so many people afterwards said how inspiring it was.

Malcolm linked with a few and brought through some interesting evidence while Lesleigh did a couple of drawings, this time they were in full colour. A little bit like an auction at the end, but Lesleigh found her recipients of the drawings.

LIBRARY BOOKS

We purchased a lot of books over the years and some have been donated.

Still I have about 40 which are still overdue, can you please check your bookshelves, and please allow them to find their way back to the centre, we are going back years on these.

We know who has hired them; we would just like them back.

Many thanks in advance

PHILOSOPHY & INSPIRED WORDS

FROM OUR STUDENTS HERE AND IN NEW ZEALAND

NEW LIFE

Dear friends, oh how we love you! Our love never ceases
whilst you are both in
material and spiritual form. It is our love that has formed you, not in the
physical sense of course, and it is our love which will
continue throughout your
physical life to be the driving force in the way you act and react to

circumstances throughout your life.
Once you were new life at the time that you
were born into your current form
and you will be new life once again, when you are
reborn at the time of your

next existence, and so it will continue until eventually you will have reached such a high state of vibration that there is no requirement for you to return to the physical any longer.

Despite what has just been said it is possible for you to also experience 'new life' whilst experiencing your current existence. I am sure that you will have heard of the expression 'there's new life in the old dog yet',

well this refers to
your continuing to live within your body shell,
but with new energy therein.

Where does this energy come from? This energy
is implanted by the Ultimate
Being or other spiritual entities acting as proxy.

This energy usually comes as a
result of a change of heart e.g. a hard heart is softened,
changing its vibration

and thereby allowing the physical body to change, often leading to improvement in health, either the physical, the mental or both. A change of vibration, and hence a change of thinking, and also a new life.

I'm sure that you had expected here that we were going to refer, as you approach your Easter celebration to new life starting with the chicken and the

egg. We do not wish to disappoint you on this.

No doubt you were expecting to be told which came first, the chicken or the egg and of course the answer is neither as both were created simultaneously, new life being brought into existence by the Ultimate Being. We hope that you are not disappointed by this answer as this is the truth of the matter.

We leave you now with the promise of our continuing love.

GIFT FROM THE ELEMENTALS

YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh.

In her own words she tells the story.

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid
