JULY

1ST CHERYL BRENNAN

Cheryl explained how she worked which was really interesting,
 every medium work differently and we have such interesting mediums at the centre.

Cheryl was very determined with her messages making sure that people truly
 understand the essence of the communicator and the evidence.

It was beautiful to be part of people's messages tonight. Cheryl received
 A message also in the song that spirit chose us to sing, it was one her grandmother
 could only play on the piano. Spirit gives you so many signs.

Thank you Cheryl for your work tonight.

8TH NIGEL GAFF

It was great to see Nigel working in action.

He spoke first about his journey recently with spirit which was fascinating.
 Then Nigel linked with a few of you in the congregation, bringing forward
 interesting messages from the world of spirit. Truly proving the evidence that our
 loved ones are close by our side.

Thank you Nigel for your work tonight.

15TH BILL FORRESTER*

A true gent in so many ways and a great ambassador for spirit.
Bill had a few drawings that her does at home, a few were taken by the congregation before Bill started his demonstration.
Lesleigh also shared that the words to Robbie Williams "Angels" is just like people in hospital, after visiting her mum so many times it was so meaningful.
Congratulation to Rose and Ron, who celebrate 46 years of marriage, Lesleigh said if she had of known you were coming she would of baked a cake.
It is wonderful when Bill is drawing and there is silence in the room as they are totally engrossed in the drawing being created.
One amazing evening, the energy was awesome.
Thank you Bill for your work tonight.

~

22ND JIM DEMETRI

Lesleigh said not everyone will get a message tonight but may I give you Jim's prayer, it was totally awesome, just resonated with so many.
One of our regulars received a message which was beautiful, and so meaningful.
Jim always brings forward guides which we are not proof of survival, but people so want to connect with their guides and it is wonderful when Jim brings them through. Jim was bringing forward a birthday cake which was eventually acknowledged as it is someone's birthday coming up.
Jim was very gentle with one lady who really needs a message; it was so beautiful to witness.
It was great to see Jim's guides giving him Greek words when translated into English meant so much to one lady. Just love the way Jim works.
A wonderful evening.
Thank you Jim for your work tonight.

~

29TH ANDY MULLIGAN*

One awesome evening, Andy was in full flow being used to bring forward wonderful drawings and bringing forward information in his unique manner.
It is wonderful to see the portraits being created. Lesleigh said to Andy that she could watch him all night, these are the drawings that were created.
Beautiful work brought forward with so much love and warmth.
Thank you Andy for your work tonight.

Some of Andy's drawings this evening.

ROBIN HODSON

Lesleigh started singing "In the Garden"

As we were getting the room ready, is that what we were singing Malcolm said.
When Lesleigh was putting out the healing table she put out the book of loved ones photos, it
opened on Betty Horne's page, it was the anniversary of her funeral, and In the garden was one of
her favourite hymns, so yes we sung it. Signs that spirit give you xxx
Robin had a beautiful service with so much love and commitment to spirit. The reading was very
meaningful and the address that followed really made people sit up and listen.

Robin's messages were well received.

We spoke of Jan and Jim and the fond memories that we had of them, Jan did the service in May

There is a remembrance of Jan and Jim at the end of the newsletter.

One lady spoke to Lesleigh after the service about some experiences she was having, never go
home with a question we will never think you silly and if we can help we shall do so.

We try to do what it says on the tin, be of service xxx
Afterwards we went to the Hassocks Pub for our Sunday lunch, we feel it just finishes of the day as
so many people can go home to an empty home.

DIVINE SERVICES WITH SPIRIT ART

What a beautiful so in sync with spirit morning. You truly had to be there to witness what was one
of the most beautiful services spirit has connected us with.

Totally unique, the energy in the hall was great there has been a shift I feel, totally letting
in the light and energy. Malcolm and Lesleigh were presented with a book
which is not in print. Lesleigh a few months ago drew a fairy before the
service started and gave it off at the end of the service, one lady connected with it and it is in her
book, details at the end of the newsletter.

The chairperson said that the prayer went exactly with the words
given to him in the morning from spirit, which Malcolm did his address on.
The hymn 'Here am I Lord' resonated with so many in the congregation.

Lesleigh drawings were accepted
and Malcolm messages were very uplifting and healing.
A beautiful morning in the company of spirit.

What a change the venue is great the energy awesome the people a dream,
we had a great congregation to work with.

Malcolm's messages were hitting home, they loved the way that he worked never
seeing someone work like that before. Lesleigh did a couple of drawings which
were accepted with such joy in receiving pictures of their loved ones that they could keep.
They didn't think that they could have them and wanted to pay for them.

One awesome evening thank you spirit.

DIVINE SERVICES WITH SPIRIT ART

One deep service a few people said, something to think about said a few more.

One amazing afternoon, spirit know exactly what is needed.

Malcolm's messages really made people sit and wake up letting them know that spirit have been close by their sides and the information they were being given, recent info, which they then couldn't deny that spirit are close to us.

Lesleigh did a drawing as the time was marching on, which was accepted for someone else, interesting in how Lesleigh was working.

Thank you spirit.

The energy was lovely there. Malcolm did a few messages and Lesleigh a couple of drawings, the church have found

that their congregation is growing which in today's climate is wonderful.

ALTERNATIVE EVENING WITH QUESTIONS AND ANSWERS

Some interesting questions from the congregation as spirit did their best in answering them.

The after refreshments there was demonstration of mediumship and spirit art, Lesleigh was given a different way of working, by asking who would like a drawing, nearly everyone but their hands up. Lesleigh drew this ladies mother.

Lesleigh then asked a question the person who got it correct Lesleigh drew for, and the second drawing was drawn for the president who was thrilled by receiving a guide who has worked with her in the past, she was overjoyed.

Thank you spirit.

Another day of working with the horses.

This time different forms of healing were discussed.

People were using the weavers on each other's bodies, so that they could be aware of what the horse could be experienced as they are a very powerful healing tools, with that they then used the weavers on the horses.

Very exciting results. The weather was kind for us also. One lady had her fear of horses diminished.

She has never in her life visited her daughter's yard. That is about to change.

A beautiful day in the presence of these wonderful horses.

In memory of Jan Dayton

JAN DAYTON

It is with deep sadness that we have to announce the passing
of Jan Dayton to the higher life at the end of July.

After a very short illness, Jan has returned home to the world of light where
she had been reunited with her family and dear dad Ted Potter
who was a wonderful supporter of the Lantern and other spiritual centres and churches.

Jan did a lot of beautiful work with her mediumship and art at the centre
and became a personal friend to Malcolm and Lesleigh, putting the world to rights over dinner.

Jan will be truly missed by those whose lives she touched.

We wish her well on the next part of her journey and send loving healing thoughts
to her family, friends and Guy her partner. Lesleigh will never forget the laughs and tears
they had when Lesleigh chaired Jan at the centre.

Jan you have been a wonderful ambassador for spirit. we know that you will continue your work
now from the other side of the veil. You will still be looking out for your family
and grandchildren and I am sure that they will feel your presence.

God bless you darling Jan, Love you xx

In memory of JIM COLLINS

We have also learnt of the passing of one of spirit great powerhouses.
Jim has been involved with spirit for so many years and used to visit the centre with his son,
We always used to see him at Brotherhood Gate Church when Betty Horne
was president. A wonderful gentle-man, who will be missed by his family and friends,

We wish you well Jim on your continued journey.

Shall miss my hugs, you too will be working from the realms of light along with those
who have recently passed. A great reunion is happening in the spirit world.

God bless you Jim, a true Gent xxx

ADVERTISE

A GIFT FROM THE ELEMENTALS

YVETTE C. ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh.

In her own words she tells the story.

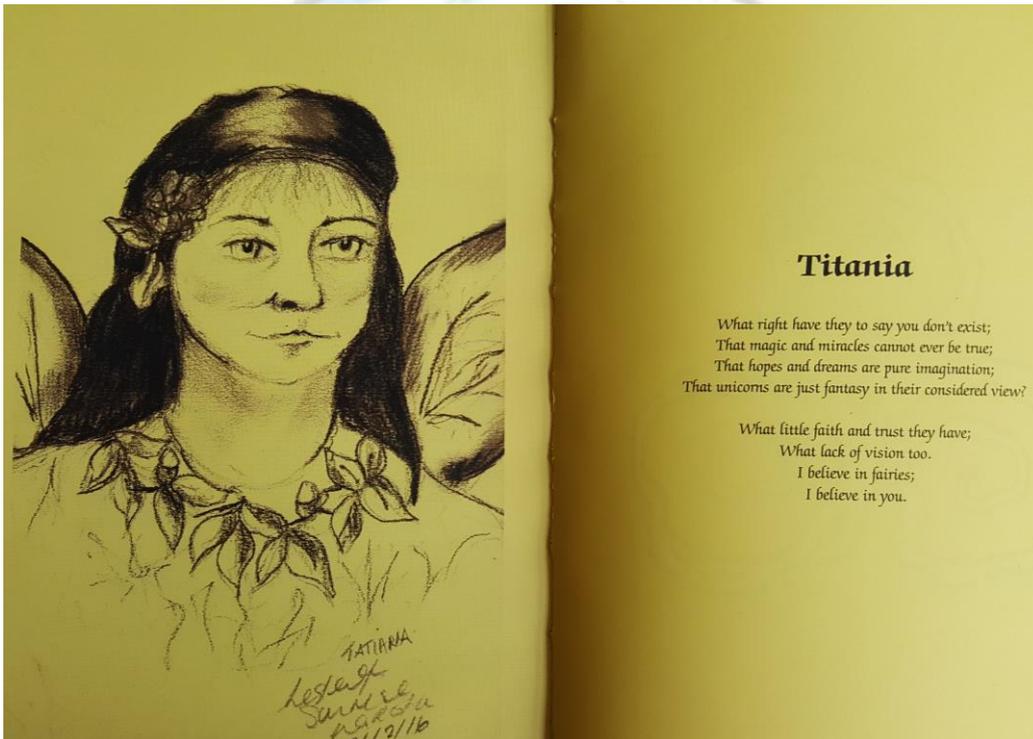

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid

TWO WORLDS MAGAZINE

What is this you might say?.

Two Worlds was founded by famous medium Emma Hardinge Britten in 1887.

Now a 76-page monthly magazine, it is edited by Tony Ortzen.

Tony has been involved in the paranormal for forty years.

He has known and interviewed some of the world's leading mediums
and acted as consultant to various publishing companies.

This is a very interesting magazine, you can find various churches/centres advertising their
activities for the month.

It is celebrating 130 years in production. We have some very old editions which like today's
publication have some interesting articles.

You do not need to be a spiritualist to read the magazine, it covers so much.

We sell the magazine which is only £1.50 so please check it out.

Have you ever heard of the language of flowers? Now of course we know that flowers
cannot speak as we can – I wish they could! I think they would say such sweet things.

But in one way flowers do talk to us when you give them some water, or when
a shower of rain falls upon them, they give forth such a sweet smell. I think that the flowers
are speaking then, I think that they are saying "thank you".

What else do the flowers want to say to us?

Well some say one thing, some another – but there is one thing which all of
them say "trust the Divine" – The Divine takes care of the flowers and sends them
dew, and rain, and sunshine and fresh air and they tell us that this same Divine
consciousness which cares for the flowers, cares also for us human beings.

And next I think all of the flowers say to us "remember to thank your God" – see
how the daisies in the meadow seem to look up thankfully tipping their heads upwards.

Someone says that your God smiles on the earth and that the earth smiles back again with its flowers – is not that a pretty thought ? that the flowers are the smiles of the grateful earth ?

Next, the flowers say to us “be contented” – they are quite satisfied to grow and small sweet and look pretty in the place where they have been placed. How, just as your god plants the flowers in certain places, some up high on the hills, others down low in the valley, some in the Queen’s greenhouse, others in the cottager’s garden, so they put you in your right place. Be quite sure that the best place for us is where we are placed. Have you ever noticed the sweet scented wall flowers growing on an old stone wall ? They have scarcely any earth for their roots, only a little bit between the stones, yet they make the old wall beautiful and no flower smells sweeter.

They teach us to be contented. They seem to say “we have no grand place to grow in, no carefully prepared bed – only a bit of old wall for our home – but we are quite satisfied and we mean to make home as bright and sweet as we can. Let us learn the lesson of the wall flower. Let us try to make home bright and happy – and sweet, no matter how poor it is. Another thing which all the flowers tell us is this “remember that you must die”when the Autumn and Winter come, we say the flowers are dead because we cannot see them. But the flowers are not really dead. They are sleeping in the earth till the Spring comes again. God has put them to bed in the warm ground and when the proper times comes, they will wake up. And just as your God does to the flowers, they do to you. One day, he will send you to sleep, just for a while – and take your soul to a safe and beautiful place. Your human body will be put to bed in the earth beneath the soft and pleasant grass. Some people may say you are dead just as they would say the flowers are dead but for you it will be a new spring time and you will transform to live once more in the most beautiful and loving place where you can continue to grow and to love in a way you have never experienced before.

So you see, the flowers tell us not only that we must die but that we must go on and live again – what else do the flowers say to us ? I think they say “keep in the sunshine, be happy” .. You always find that flowers are on the sunny side of things. So ought we to be. A plant cannot grow and blossom in a dark cellar. It must have sunshine. So if you want your soul to grow, your light to shine brighter, you must have sunshine in your hearts, sunshine in your faces. Look at the face of any one – some faces will appear to be gentle, loving and pure – you will see the eyes and smile full of sunshine – but look at the face of someone who has done something wrong, who has told a lie, or done something cruel – there you will see no sunshine in their eyes or their face. And it is as if a heavy cloud hangs over them. So if you have done wrong at any time in your life, it is never too late to ask for forgiveness – and ask for a way to make amends. Then you will have sunshine and you will be happy.

There is another thing which the flowers say to us – “Be sweet” – There is nothing so delicious as to go into a flower garden after a warm shower and to smell the sweet scents. Well, you have been sent into the garden of this world to be sweet like the flowers. How can you be sweet You can be sweet tempered, sweet mannered, sweetly spoken. Sometimes you hear people say that someone has a sweet face – now that need not mean a pretty face – a person may be pretty and yet not sweet. Those who are sweet-tempered show it in their faces. You know how a bunch of flowers in a room makes it sweet and wholesome. The room makes you feel welcome at home sweet So why not try to make your

home sweet by your gentleness, your good temper, your love. Some people are regular stinging nettles in a home – they always make you or other people feel uncomfortable. They sting with their tongues and they sting with their looks and their tempers. Make up our minds, do you really wish to spend time around such people – do you want your space filled with sweet flowers or stinging nettles ?

And now before I leave you, let us think what one special flower teaches us. I told you that there is such a thing as the language of flowers – that is, that each flower has its special meaning. Well, what does the rose say ? Surely the rose says “love one another” – do you know who it is who loves us best ? The Divine, the angels, our guides – living within an energy of love, peace and tranquillity where there is no judgement, no nastiness where there is only love, it is easier to love one another, is it not ? But perhaps we should all try to be a little more loving and before we pass on to the next life, even if we are starting off as a rose with thorns, let us all try to become the deep red rose, with a smooth stem that stands high above all others – that has the biggest deepest bloom possible. At least then we know we have all tried to make our world the Rose Garden it deserves to be – full of sweetness and smiles for one another, no matter what our differences may be.
