JULY

7TH EDUARD INTERNATIONAL PALMIST

After leaving a message with Lesley Hoube and not hearing from her we rung her on the Friday morning to check that she was okay, She thought that someone else had called us, Lesley was unable to attend, on putting

the phone down the phone rung, it was our dear friend Eduard our palmist from the fayre. After the conversation Lesleigh asked him what he was doing on the Saturday. The rest is history the first ever evening of Palmistry and what an interesting evening it was. No one knew what was going to happen, as Lesleigh said we are just going to wing it. First Eduard spoke to put everyone at ease, everyone there was expecting Eduard, but it is interesting to understand a lot in a short time about the subject. People were really engaging with Eduard asking questions, a few getting a quick reading, which was so accurate. People were fastinated by the evening, some even booking private readings with Eduard. A very uplifting evening, great energy and Eduard went home knowing that he can now do demonstrations of Palmistry. Thank you Eduard for your interesting work tonight.

~
14TH BARBARA ALMOND

It was so lovely to be back in the company of Barbara, she is such a dream to listen too.

What a great sparkly eveing we created by singing the first song Angels the change in the energy was amazing, with everyone singing their hearts out. Lesleigh spoke about their experiences at Bognor Regis Church last night, read about it later. When the first message was acknowledged it was interesting to see Barbara getting very animated. There were new people in the congregation, they looked very interested in what the evening was bringing forward. Great messages were given, amazing evidence which brought a lot of comfort to others. One new gentleman who was a complete skeptic didn't get a message, but was trying to get some palmolive bath product all afternoon, he won the last raffle prize, yes I hear you guessing, it was a bottle of Palmolive bath, no such thing as a coinsedquence. His wife thoroughly enjoyed the demonstration and said it was to short, she wanted it to go on and on. Thank you Barbara for your work tonight.

~
21ST MALCOLM PUTLAND

It was great for lesleigh to see Malcolm working. Lesleigh's mum had fallen Friday evening with a 3inch gash on her head so Lesleigh got someone to look after her.

In lighting the candle Lesleigh said that if she put a peg on her nose that she could do some synchronized swimming in the pool or the way that Lesleigh dresses the wound she could be like a nun.

Malcolm explained how he works as there were a few new people in the congregation. Malcolm said that spirit were queuing to speak to their loved ones.

To one lady spirit were using such difficult words, the lady didn't understand but acknowledged the fact that he would of used those kind of words.. Spirit do not change their personalities when they return home. spirit didn't want to leave their communicators, once they had the floor they wanted to talk for England as the daying goes. Malcolm demonstrated one communicator doing little dance steps, it look quite interesting with Malcolms size 12's.

Off the wall information was given, someone drinking a bottle of cleaning fluid, Lesleigh mum did this as a child and Lesleigh asked the lady afterwards if Bluebell meant anything, yes it did as that was the make of the one that she drunk, must have the cleanest tummy. It is very interesting to see the dynamics of how mediumship works.

A wonderful evening full of love and spirit.
Thank you Malcolm for your work tonight.

~

28TH ANDY MULLIGAN

Lesleigh read the line from our signature tune "If you see an old friend
on the street And he's down

Remember his shoes could fit your feet"

Lesleigh lit the candle for all those who had taken their own lives, for what ever reason, Lesleigh is guided by spirit in all that she does when chairing, her words touched a few in the congragtion, and the next song was "lean on me" so beautifully orgastrated. A fantastic evening with Andy, giving one lady a beautiful drawing and a name that resonated with information regarding Ivor Norvello. It turned out that tom's mother was a dresser for Ivor Norvello, Andy told the story about learning the piano, in the fact that you are never too old to learn new things.

One amazing evening,
Thank you Andy for your work tonight

All are welcome to this.

These meditations are amazing; they are guided by spirit through Lesleigh in a very warm loving space, created just for this quiet time.

Even some mediums get there early to sit in the power before their service. Awesome.

How powerful are these meditations?

the Journey is channelled by Lesleigh's guide and those seeking the peace and serenity is never disappointed

Wow what an amazing journey the people there went on, the peace and serenity in the room was amazing, just by playing a different piece of music brought in the love and tranquillity.

You could see the depth that people had gone too.

It is beautiful to find that peace and love within yourself.

SUNDAY 29TH JUNE

MARILYN WEBB @11.00AM

After the meditation more people started to arrive, the commitment to this service in the heart of this village is amazing, people travel for miles to be part of it. Marilyn travelled from Waterlooville in Hampshire to be part of the service as the medium. What a beautiful service we all experienced.

Her reading was a favourite of Lesleigh and Malcolm's and had been read by Lesleigh at various services over the years. "The Mousetrap", it is at the end of the newsletter, about how we are all connected and our lives so intertwined. Her address was very powerful, and the piece of music pre-playlist chosen by spirit for the quiet time to reflect afterwards was from First Nation and their understand is We are all one, we are all related
"Mitakuye Oyasin"

Beautiful emotional messages were given by Marilyn. Marilyn linked one lady with Lesleigh as it was reflecting on the events of the night before at the Lantern of light. Spirit know exactly what is going on in our lives, we just need to hand it over to them. It was very hard to call Marilyn to time as I know she wanted to go on and on giving messages, but time does not allow.

SUNDAY 1ST JULY @6.00PM
EVENING OF CLAIRVOYANCE WITH SPIRIT ART

Well this was an interesting evening, the sat nav took us a very different way but was so pleasurable driving through the Kent country side. What a hot sticky night but that didn't stop the congregation coming out and supporting the centre.

Malcolm linked with a few in the congregation bring forward off the wall evidence and Lesleigh did a few drawings, it was quite a cheeky evening with some of the evidence, one piece of info that Lesleigh gave she had to whisper to her link it was accepted, and the lady shared with Lesleigh that it was her brother here who needs a lot of healing now. The chairperson did a rendition of the evening and he himself was very cheeky.

Love the way spirit use Lesleigh & Malcolm when they bring forward their evidence.

Thank you spirit for tonight

FRIDAY 13TH JULY @ 7.30PM
DEMONSTRATION OF MEDIUMSHIP AND SPIRIT ART

What a wonderful evening full of spirit.
Malcolm's message to one family was very much on a healing vibration, a
lot of messages from spirit tonight, proving beyond doubt that life is
continuous.

Lesleigh did 3 drawings one the lady could take the info but didn't know
who it was. When Lesleigh handed the drawing to her after the
demonstration, she had had time to think and said to Lesleigh it looked
like someone, did I have a name! No said Lesleigh but gave the evidence of
how this person passed, the lady didn't know, so Lesleigh left it and put her
number on the back. The following day a very upset lady rung Lesleigh,
saying this is my brother and confirmed how he passed. You can always be
the mediums medium.

This had brought comfort to the person in question,
Love this work to be used this was
Thank you Spirit.

When we arrived the officers of the church were having a problem as they couldn't get into the room they hire, the venue had double booked themselves. Still with a little persuasion the hall was vacant. Lesleigh easel had broken but she found something to put the paper on,
thank you spirit.

Not many there tonight but those there were sending out their love to Lesleigh & Malcolm. Great messages full of upliftment, with Malcolm's address resonating with a lot in the congregation.

Thank you, Malcolm.

SERVICE WITH SPIRIT ART

This may be a small church, but it certainly has a big heart.

With messages being accepted and acknowledged.

There are certainly a lot of people searching for answers at this church.

You are never given anything that you cannot deal with, however hard it might seem.

Thank you Spirit.

CHICHESTER CHRISTIAN SPIRITUALIST CHURCH,

CHICHESTER, WEST SUSSEX PO19 2PY

THURSDAY 19TH JULY @7.30PM

SERVICE WITH SPIRIT ART

We arrived at a brand-new decorated church, they have worked very hard there to get it finished.

The reading and address was very meaningful to people in the congregation, proving that philosophy still has a role to play in the churches, that is the core of the movement. People in our philosophy group are bringing forward amazing words of wisdom from spirit. Just as Malcolm does when his guides come through.

Lesleigh did a couple of drawings which were accepted and will be framed.

Thank you Spirit

THE MEMORIAL SERVICE FOR
MR ADRIAN BROWN
CRAWLEY SPIRITUALIST CHURCH,
CAPEL LANE,
GOSSOPS GREEN,
CRAWLEY, WEST SUSSEX
RH11 8HL
15TH JULY 3PM

What an honour said Lesleigh to take Adrian's memorial service. Family & friends gathered to pay a tribute to this much-loved Gent, Mr Adrian Brown, with people sharing stories with us about his life as a husband, stepfather, step grandfather & uncle. It was lovely to see Malcolm and Adi wearing waistcoats in tribute to him as the theme running through everyone's comments was about his waistcoats. Lorna, Adi, John Collins, Madge Summerfield, Sarah Jay, Janice Hughes and Lesleigh shared memories about him, which had people laughing. Lesleigh's mum remembers him as a boxer in his earlier years. Madge read one of her inspired words and then read out one of her ditties which had people bursting their sides with laughter. A fitting tribute to a wonderful worker for spirit. You'll never really know Adrian what you did for people but now in heaven you have earned your place with the greatest mediums of all time.

We honour and respect you dear friend,
May your onward journey be as eventful as life on earth.

LIBRARY BOOKS

We purchased a lot of books over the years and some have been donated.

Still I have about 40 which are still overdue, can you please check your bookshelves, and please allow them to find their way back to the centre; we are going back years on these.

We know who has hired them; we would just like them back.

Many thanks in advance

PHILOSOPHY

FROM OUR STUDENTS HERE AND IN NEW ZEALAND

THE ROAD I KNOW

The Road I Know

Decided by Me

Way before my Arrival

On this Earth

As to Be

Life's path and lessons, I must Trust

With my Guides by my Side

Unknown by my Consciousness

Then erased from my Memory

As I Glide, Soaring into this Life

Unaware of my Contract Signed

The Carbon Copy of my Life

Yet, into this Portal of Being

A hint of Direction

Clues Appear, then Reappear, along the Way

The Road I know

Extends beyond Me

Appearing Strange

Yet uncannily Familiar

Morphing as Deja Vu

An Absent Recollection,

An Unknown, yet Intimate Certainty

As I am Directed along my Chosen Path

Swept along

The Road I Know

As I Travel this Itinerary of Life

Lessons present Questioning, Abounding, Surprising

Always Challenging my Trust

Exposing my Achilles at every Leg of the Journey
And, Yet, As I Rely on my Strengths,
I stop to Ponder, to Analysis the Voices in my Head
My Human Mind continues to Puzzle, Question
At the Wonderment, the share Enormity of what is Expected,
Of what Awaits Ahead
Ahead to this Road
The Road I Know
So, what of this,
The Road that I Know
As certain as my Heartbeat
The Road, that I Feel
I have Travelled before, in another Lifetime, Dimension, Existence.
For this, I Recall the Challenges at every Crossroads
Buckled into this Rollercoaster Ride, for the Uncertain Terrain ahead, the
Unforeseen Speed Bumps of Life
Always Tempting, Persuading, cajoling me to Divert from the Main, Safe
Highway.
Challenging my Conviction, to Navigate and Blur my Limits and
Undermine my Judgement
My Decisions, it seems
As I Jump Aboard the Motorway of Mortality,
Should I Speed through an Impasse,
Or Chase the Infinite Unknown Route.
Confused as to Direction,
Or, Do I Listen to my Inner Voice
And have Faith, that, this Road I have Chosen, before this Human Life,
Will Guide me through the Dark
And give me Power and Strength, to Travel the once Mapped and Plotted,
the
Familiar, the Homely, My Destiny
The Road I Know
To be My Purpose
As appear the Beginning
I further Question, as to the Validity of my Learning, Growing, of Giving,
Receiving, Evolving as Expected.
Yet, this I am sure, as sure as the Breath that I take, to be the Way of
Enlightenment

Trusting will become the Right Decision
For now, the Direction will Evolve as it Should
And, to this Present I find Myself
I Will Trust
Clear, but Ultimately Unsure which Road to Meander.
I Shall Embark on this Journey
Using my GPS of Love and Service
Set to Navigate where I am Best Served,
Where I Should Be
And where I have Journeyed Before
And, This, I am Steadfastly Sure,
As My Angel Stands Clear
With her Wings Open Wide
And Lights up for Me,
The Road That I Know
But, For Now....
I Am Detoured, Until I Reach Over the Rise,
To the Other Side,
To the Road Beyond My Soul
To the Road, That I Have Always Known.....

The Peacock feather

And the Lord, your God, sent an angel to raise up the vibrations of all beings on Earth, whether these be human or otherwise. And with the rise in vibrations the following thoughts were imparted:

Be you aware my friends that those in the World of Spirit love you all, and before most of which is the Ultimate Vibration. The love vibration is being sent to you all, at every hour of every day. This vibration has been beamed to the world since the time of creation and will continue for ever. Whether or not you may be perceived by others on Earth as worthy to receive this love vibration is of no importance to those in the World of Spirit. You are all God's children and you are loved equally.

To help you on your way, signs are given to direct you. A white feather appearing from nowhere and landing at your feet is indicative of our presence in your vicinity. Yes, we are that close to you. Very few of you can see or sense us, but this does not mean we are not there. It is just that we are on another vibration that you are not attuned to. Vibration, vibration, vibration, this is what EVERYTHING in existence is all about. There is nothing to be worried or concerned about this.

This brings us to the Peacock feather. Now, it is most unlikely that you will see one of these dropping from the sky and landing at your feet, although anything can be generated by those in the Spirit World. Indeed, they have the ability to move mountains, so the production of such a feather is really nothing. It is just another vibration. So, having a peacock feather descend from heaven could always happen at any time. Suppose therefore that this lands at your feet, you stoop to pick it up, examining it carefully and wondering at its beauty. Many of you say that beauty is in the eye of the beholder, but this is not strictly correct as beauty exists whether the beholder perceives this or not. Let's assume that you examine the feather and its vibration (yes, yet another) speaks to you. It will not actually speak to you but the beauty vibration will be perceived, usually visually and some of you spiritually due to the close connection between your physical and spiritual bodies. You may stroke its delicate structure and wonder over its iridescent 'eye' and luminous colour. Some of you may think that this eye looks deep into your soul, connecting directly to your spirit body and you will be right. The feather will be radiating its beauty vibration that your spirit body will directly perceive.

We are here now and always for you my friends. Please understand and consider what has been said as this, when fully appreciated will be for the benefit of you all. We say again that vibration is the key to everything. We want you to have joy in your life on Earth and yes, joy is yet another vibration which you as powerful beings can manifest.

Here ends our thoughts. Love be with you all.

ADVERTISE

A GIFT FROM THE ELEMENTALS
YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh.
In her own words she tells the story.

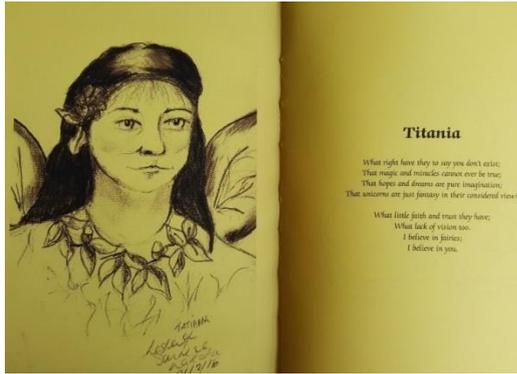

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid

READING MY MARILYN WEBB FOR OUR DIVINE SERVICE
THE MOUSETRAP

A mouse looked through the crack in the wall to see the farmer and his wife open a package.

What food might this contain? The mouse wondered - he was devastated to discover it was a mousetrap.

Retreating to the farmyard, the mouse proclaimed the warning:

There is a mousetrap in the house! There is a mousetrap in the house!
The chicken clucked and scratched, raised her head and said, " Mr. Mouse, I can tell this is a grave concern to you, but it is of no consequence to me.

" " I cannot be bothered by it."

The mouse turned to the pig and told him, "There is a mousetrap in the house! There is a mousetrap in the house!"

The pig sympathized, but said, I am so very sorry, Mr. Mouse, but there is nothing I can do about it but pray.

"Be assured you are in my prayers."

The mouse turned to the cow and said "There is a mousetrap in the house!
There is a mousetrap in the house!"

The cow said, "Wow, Mr. Mouse. I'm sorry for you, but it's no skin off
my nose."

So, the mouse returned to the house, head down and dejected, to face the
farmer's mousetrap alone.

That very night a sound was heard throughout the house -- like the
sound of a mousetrap catching its prey.

The farmer's wife rushed to see what was caught. In the darkness, she did
not see it was a venomous snake whose tail the trap had caught.
The snake bit the farmer's wife. The farmer rushed her to the hospital, and
she returned home with a fever.

Everyone knows you treat a fever with fresh chicken soup, so the farmer
took his hatchet to the farmyard for the soup's main ingredient.

But his wife's sickness continued, so friends and neighbours came to sit
with her around the clock.

To feed them, the farmer butchered the pig.

The farmer's wife did not get well; she died.

So many people came for her funeral, the farmer had the cow slaughtered
to provide enough meat for all of them.

The mouse looked upon it all from his crack in the wall with great sadness.

So, the next time you hear someone is facing a problem and think it
doesn't concern you, remember -- when one of us is threatened, we are all
at risk.

We are all involved in this journey called life. We must keep an eye out
for one another and make an extra effort to encourage one another.

REMEMBER,

EACH OF US IS A VITAL THREAD IN ANOTHER PERSON'S

OUR LIVES ARE WOVEN TOGETHER FOR A REASON
