SO, WHAT HAPPENED AT?

The Lantern of Light, Burgess Hill Reflections on November

CYPRUS HALL, CYPRUS ROAD, BURGESS HILL, RH15 8DX

We saw a very high standard of mediumship at The Lantern with

3RD LOUISE EATON

It was great to see Louise back at the centre, her links get deeper everytime
we see her work, her first message was very emotional and beautiful
evidence was brought forward. Her uplifting energy was being shared with
everyone in the congregation.

One fantastic, emotional, evidential evening.

Thank you Louise for serving the centre and linking some of us with our
loved ones

~

10TH CLOSED

We cannot use the hall as the floor is covered with poppy wreaths, waiting
to be used in the Remembrance parade on Sunday

17TH MALCOLM PUTLAND

It is always a pleasure to listen to Malcolm link the two worlds together as normally I am working myself along side of him. Wonderful messages were given out, evidence was inspiring. The first message brought a lot of healing as the tears were flowing. One man came into the evening very late but after Bryan had spoken to him we ascertained that he wanted the comedy club, sometimes it is when Lesleigh gets the giggles!.....
A very emotional evening, beautiful messages, healing being given.

One amazing evening.

Thank you Malcolm for your work tonight

~

24TH PAUL JOHNSTON

What a beautiful evening, we sent out healing and added one of our congregation to the list and a while later he walked in the door, we all welcomed him with a cheer, bless him. Paul gave some amazing evidence giving one lady the date and time of her appointment, she had to check her phone, correct wonderful link.

A beautiful evening full of spirit communication.

Thank you Paul for your work tonight.

How powerful are these meditations?
the Journey is channelled by Lesleigh's guide and those seeking the peace
and serenity is never disappointed

Wow what an amazing journey the people there went on, the peace and serenity in the room was amazing, just by playing a different piece of music brought in the love and tranquillity.

You could see the depth that people had gone too.
It is beautiful to find that peace and love within yourself.

SUNDAY 25TH NOVEMBER

GAIL MOFFAT @11.00AM

In writing this, I do not really have the right words to explain what a wonderful morning we all experienced. Gail is working very differently now and as a spiritual centre we never limit spirit. When Gail arrived she was talking about what she had been experiencing before arriving at the centre, she had a person whom wanted to communicate with us all. I said to Gail that let spirit impress you at the time. What a wonderful crowd to experience words from those whom have passed to spirit.

After the welcomes and first hymn, Lesleigh felt a presence and told Gail "that it is okay, do what they want, as I can feel her presence". The emotion was very powerful tears of love were pouring from Lesleigh's eyes. Gail read from "Quotable Wisdom" by Mother Theresa.

Gail's reading was about Mother Theresa's journey which was very enlightening.

After another hymn, Lesleigh asked Gail to share her address in which Mother Theresa was given a voice, so Beautiful, so Emotional, so Powerful, and with the haunting melody from Debussy we all sat and absorbed those words from spirit.

Never has the Beacon experienced something like this before. Gail then went on to join a few with their loved ones, such a very special time to link the two worlds together.

Beautiful messages were received from spirit and very one there felt the love from Spirit. One beautiful, meaningful emotional morning.
Thank you Gail for your work today.

DIVINE SERVICE WITH SPIRIT ART

It is always a pleasure to serve Hailsham,

There is always a warm welcome and a cuppa waiting for you.
It was very festive in the church with the Christmas tree up, the heating on and the singing of angels, that was the congregation and Lesleigh & Malcolm. There wasn't many who ventured out on a cold wet day, but the love that they showed spirit and us was amazing. The reading and address resonated with a few who you could see were glued to every word Malcolm was bringing forward. Ron Jones the founder always loved to listen to Malcolm, Lesleigh had sensed that he was in the door and it was confirmed by his daughter.

Thank you spirit for using us today.

FRIDAY 30TH NOVEMBER @ 7.30PM

DEMONSTRATION OF SPIRIT ART WITH LESLEIGH SUNRISE

This was the first time that Lesleigh has worked on her own

In public apart from the Lantern of Light.

It was good to be back in the church where Lesleigh did her training with Betty Horne all those years ago.

The congregation at the church was very low, but that didn't spoil the evening, where people come for spirit communication the medium should work. One drawing was done before the evening started and it was

accepted because of the information, a lot of training and guidance was given to the person, who now has homework to do to find out whom was drawn for her.

The next drawing was for a committee member, it was a guide, it is not normally something that Lesleigh does in public, but it was so meaningful to the person who has been given this guide before, now she has a drawing, she was wrapped. The third was of a ladies mother who went home full of upliftment and encouragement.

Thank you Spirit for using Lesleigh tonight

PHILOSOPHY

FROM OUR STUDENTS HERE AND IN NEW ZEALAND

JOURNEY OF SOULS

It's good to be with you once more to pass on knowledge. Our friends, it is time once more, knuckle down and concentrate. This is the lesson for today. Here is what we have to say and this affects all of you.

As you are all aware, the soul is the spiritual body that inhabits the physical within the vibrational element known as Earth. The body of course we refer to here is that of man/woman. As before advised the soul was created by the Ultimate Being. This is the vibration/energy form which never ceases to exist. Being created by the Ultimate Being, the soul was formed within the place known by you as Heaven. The soul, after dwelling within Heaven has the opportunity of extending knowledge by taking the physical form not only on Earth but elsewhere, as appropriate, on other planets within the

universes. The word 'appropriate' is used here to indicate that Earth is not the only place where the soul may be directed. Indeed, a decision has to be made within the World of Spirit as to what appropriate items are needed for advancement and direction will then be given as to where learning can be best achieved. Don't forget that apart from there being infinite universes, there is also infinite vibrations i.e. planes of existence, within each universe. This I'm sure will be beyond the comprehension of many of you. Yes it is difficult to perceive and conceive!

Now, let us for the sake of simplicity say that Earth is considered the correct plane for the soul to next take up residence. A suitable

vehicle has to be found in which the spirit body is to dwell. Guidance will be given on this and at that juncture the soul is given the opportunity to decide whether to proceed to the next stage of taking up occupation within the physical form. Assuming the decision is in the affirmative, the journey now begins hand-in-hand with a new physical life form.

The fun now begins for the soul, if not for the physical form. The soul knows from where it originates and what will occur on expiry the physical form. The physical form though is not party to this information. There is the very rare exception to this, but this is not the norm. The physical form has to educate itself as it stumbles through its existence and the soul within will give guidance in an attempt to fill in the gaps of its own learning. These are the gaps that can only be filled in by assuming the mantle of human existence. Even then, on many occasions, the specific lesson that the soul had to take physical form for will not be learnt either in part or full. When this occurs, after returning to the spirit world, on expiry of the physical shell, the opportunity will be given again to go through the same process until the lesson is learnt, the knowledge is acquired, the correct vibration is reached, whereby the soul has the ability to move on to higher vibration and higher plane of existence within the spirit world.

This lesson has of necessity been much abbreviated. The journey of

soul in its entirety would fill many a tome, indeed exceeding our purpose here at this time. Our love is with you always.

ADVERTISE

A GIFT FROM THE ELEMENTALS
YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh. In her own words she tells the story.

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid
