SO WHAT HAPPENED AT?

The Lantern of Light, Burgess Hill Reflections on January

CYPRUS HALL, CYPRUS ROAD, BURGESS HILL, RH15 8DX
We saw a very high standard of mediumship at The Lantern with

JANUARY

6TH PAUL JOHNSON

There was a great crowd at the centre tonight, which was wonderful to see. New people were at the centre which were brought by regular visitors. It is great to share their experiences at the centre with friends and family. Such wonderful messages were given by Paul, he had a couple of split links and worked with them beautifully.

Such accurate information it was a pleasure to experience Paul working and the joy on peoples faces as they acknowledged their loved one.

Thank you Paul for your work tonight

~

13TH LYNN PROBERT

It was fantastic to see Lynn back at the centre, it is a shame that there wasn't a lot there to witness a wonderful demonstration of mediumship. Still those who are there were meant to be there. A communicator came through who knew Malcolm and Lesleigh with wonderful evidence with a message for his sister, sometimes we are the mediums medium It was very interesting to watch Lynn find her link.
One very special magical evening.
Thank you Lynn for your work tonight.

20TH GAIL MOFFAT

It was great to see Gail back at the centre. Gail explained how she works which was very interesting, it is the mechanics of mediumship that allows spirit and the medium to work at their optimum performance.
It was interesting when Gail had a communicator who wanted to talk to someone with a walking stick, 5 people waved their sticks. A very interesting message, was given to the right person. Lesleigh mum had a message which had so many laughing with her replies.
One great evening.
Thank you Gail for your work tonight

27TH LESLEIGH SUNRISE LAKOTA*

Debbie Dean was booked for this evening, but unfortunately Debbie was unable to attend due to feeling poorly, we send her our healing thoughts. So Lesleigh stepped in to do the demonstration. 3 drawings were created with Lesleigh working with the people who acknowledged the information. There wasn't a sound in the hall as people were watching Lesleigh work, which is not that often at the centre.
Thank you Lesleigh for your work tonight.

SUNDAY OCTOBER 29TH

WITH LESLEIGH "SUNRISE LAKOTA"

for an early morning meditation, the doors will open at 10.30am

All are welcome to this.

These meditations are amazing; they are guided by spirit through Lesleigh in a very warm loving space, created just for this quiet time.

Even some mediums get there early to sit in the power before their service. Awesome.

How powerful are these meditations?

the Journey is channelled by Lesleigh's guide and those seeking the peace and serenity is never disappointed

"In Beauty may I walk" was spirits theme for this morning's meditation, taking people on beautiful journey. It was very powerful with people coming back with tears in their eyes.

One lady brought a picture from her grandmother in for Lesleigh which was called Beauty, it was no consequence that Lesleigh's meditation was called in Beauty may I walk, which was chosen by spirit before the person arrived. The meditation earlier went so well with Mikes reading and philosophy. Beautiful.

SUNDAY 28TH JANUARY

MIKE WILLIAMSON @11.00AM

A beautiful morning with Mike and a full house that we needed more chairs.

Mike was unsure about his reading and was going to go with another, but Lesleigh said he should go with the first. So he gave them both to Lesleigh for her to give him a reading at the right time, it was the first one and was so meaningful and the address that went with it was fantastic, so apt for the congregation.

Everything about the service was amazing, and the comments to Lesleigh and Malcolm from people in the congregation were amazing, thank you everyone for your love and thank you Mike for a beautiful service.

ADVERTISE

A GIFT FROM THE ELEMENTALS
YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh.

In her own words she tells the story.

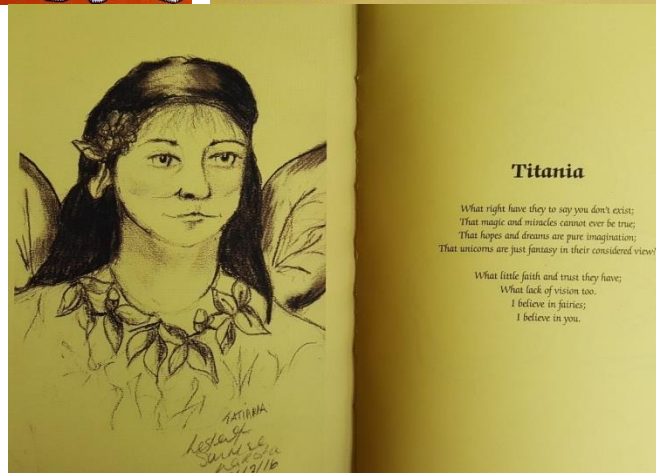

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid

Titania

What right have they to say you don't exist;
That magic and miracles cannot ever be true;
That hope and dreams are pure imagination;
That unicorns are just fantasy in their considered view!

What little faith and trust they have;
What lack of vision too.
I believe in fairies;
I believe in you.

PHILOSOPHY

Some interesting words from our Philosophy group channelled by spirit
The New Year

Firstly, let me wish all of you a happy and prosperous New Year.
And here lies the problem. Why am I giving you my best wishes? In fact,
which New Year am I talking about? This could be any one of five, but
of course I'm referring here to the Christian Roman calendar where the
New Year starts on 1 January. All a bit of nonsense really isn't it?

Suppose

there were 365 different religions and calendars in your world.
This could mean that effectively every day was a New Year and you
would be wishing somebody a New Year for every day.

A new sunrise and a new wish.

In fact my friends these last few words hold the key.

At the beginning of each New Year tradition has it that
you will make a list of all those things that you wish to achieve
in the coming 12 months existence, but why limit yourself to doing
this only once a year. I don't mean of course that you physically
prepare a different list on each consecutive day. No, you should
reaffirm the items on your list on a daily basis. Most people of
course don't do this and by the end of the first month in the
year all will have been forgotten. Continual affirmation will of
course be more likely to bring everything you desire into fruition.

You will have heard the expression, practice makes perfect, well
indeed my friends this is the case. You will in effect be causing those
things that you most desire to be manifested. You have to get into
the groove, so to speak, but you can't do this without putting yourself
in the right frame of mind. Positivity, I know it is difficult, is the way
forward here. You won't obtain your desires any other way.

Believe that all can be achieved and if by magic things will go right for you.
Many times you will hear people say and no doubt you have said the same,
that some so and so has the luck of the devil. Believe it or not, these people
have no more luck than anybody including yourself. It is just that they
have a positive view as to what they can achieve and this view is continually
reassessed, reviewed and reaffirmed. Please believe me when I say that
if you have a negative view you will never achieve anything positive. In fact you will put
the brakes on ever achieving your heart's desire.

So my friends, at the beginning of this New Year, make out your

list and may the first item on this be that of achieving a positive mind-set. Make the second you're getting into the right vibration whereby you can manifest your desires. I will leave it up to you to complete the remainder of your own list! A New Year, a new start. Make it a positive one.

I know you can. I have faith in you.
