SO, WHAT HAPPENED AT?

The Lantern of Light, Burgess Hill
Reflections on December

CYPRUS HALL, CYPRUS ROAD, BURGESS HILL, RH15 8DX

We saw a very high standard of mediumship at The Lantern with

1ST ANDY MULLIGAN*/LESLEIGH SUNRISE BADGERY

What an interesting evening, the evening was started by Lesleigh doing her usual banter for getting the energy raised, the singing of songs and the love growing in the hall. Andy started his first drawing and information which was being accepted, fantastic drawing as always, but when he started

doing the next message Andy was being told by spirit to sit down, sit down, so he said to Lesleigh I have to sit down can you please take over. With that Lesleigh asked if she could use Andy's pastals and carried on with the drawings. A very interesting evening, while Lesleigh was working Malcolm was giving Andy some healing. When the evening had finished some one offered to go on the train with Andy and take him home, thank you we do have some wonderful people at the Lantern. Andy spoke to us the following day to say that he was feeling much better. Note to chair people, that is why you need to be linked in, so you can take over the service/dem at a moments notice.

Thank you Andy for coming to serve the centre.

~

8TH MARLENE WOOLGAR

Marlene was on top form as usual. Her messages were very uplifting with the evidenc that she was bringing forward. Marlene gave one lady her grandfather's calling card, which she was over the moon about. Our loved ones always try to give us signs that they are still around us, but grief gets in the way and we can dismiss them as coincidences.

A great evening, thank you Marlene for your work tonight.

~

15TH LESLEY HOUBÉ

It is wonderful to experience Lesley working, she brings such energy to the evening, bringing forward loved ones, with their excited energy that they can communicate with their loved ones. One ladies face was beaming when Lesley was giving her a messages. Lesleigh received a wonderful message as well. A lot of love in the room that we all felt.

One very specal evening thank you Lesley for linking the 2 worlds together

~

22ND SUE SMITH **CHRISTMAS SPECIAL**

The smell of mulled wine and nibbles cooking were making for a great evening. One great message for a lady, her 2 grandmothers came through which so meaningful because at a recent event their 2 wedding rings were worn. Such wonderful evidence was being given, beautiful messages to know that our loved ones are close to us, One lad who had recently been murdered came through, his energy was so strong that lesleigh felt it and had to give of his words after Sue had finished working.

Such a powerful evening
Thank you Sue for your work tonight.

~

29TH ANNE WRIGHT

It was lovely to have Anne back at the centre, Anne now lives in Somerset and doesn't travel this way, but for this time of year was in the area. Anne has a fantastic link with spirit, bringing forward wonderful evidence, very emotional evening. Anne also gave the lad who came through last week, this time to someone else, he really wants to get his message across, but the energy was dropping so after the message we all clapped to raise it again, what a difference it made.
Great messages, given from the heart.

Lesleigh had a message last month about something that was on the email which shouldn't be there, Lesleigh had mentioned it to Anne before but Anne couldn't find it, but it was meant to be shown tonight as Anne was wearing the persons jewellery. If it comes up again that would be great, it will not be deleted as it mentions are dear friend from the centre who a lot of people know, Have you spotted it? It should not be there, there is no way that Lesleigh puts it on the email.

Wonderful evidence from our dear friend Jan who is now in spirit.

LESLEIGH SUNRISE BADGERY @11.00AM

Well what a morning, we have always put an extra service in for Christmas as so many churches in the past have closed. A good congregation was

there to share in a very emotional day. Lesleigh's reading was very

emotional, before she went to read it the emotion was flowing, during the reading Lesleigh heard someone snivelling, trying to hold back their tears,

that was it the love and emotion from spirit was overwhelming. Not a dry eye in the place. Lesleigh's address was on judgement and one gentleman mention part of lesleigh inspired words what really hit home to him.

Time for a few messages.

Thank you Lesleigh for your work this morning.

DIVINE SERVICE WITH MALCOLM PUTLAND

DECEMBER 16TH @11.00AM

What a horrendous journey, taking longer than the route planner said, Malcolm got there by the skin of his teeth, Lesleigh had a problem getting her mum out of the car, so they both waited in the car, which was a shame

as Lesleigh used to visit the church when she lived in Croydon. The church was very impressed with Malcolm and have asked him to serve the church again in 2019

DIVINE SERVICE WITH SPIRIT ART
DECEMBER 16TH @6.30PM

It is always a pleasure in serving the centre, again the lack of support from the congregation is a shame when so much effort is put into making the evening special. But Lesleigh & Malcolm gave it all they had by singing loudly and bringing forward beautiful messages and a couple of drawings. The raffle was dragging on a bit, so the lady gave Lesleigh's mum a soft toy, another one to add to her collection, it is a bit like Hamley's (toy shop) in her bedroom.

The church was all Christmassy, but at the end of the evening when Lesleigh was packing up her easel father Christmas was smashed to the ground, Lesleigh easel and board when flying off the stage along with father Christmas and a reindeer, the reindeer survived but poor Santa will not be seeing another Christmas it was unrepairable, Sorry Santa, but a great evening was had by all, great messages and a couple of drawings

We know who has hired them; we would just like them back.

PHILOSOPHY

FROM OUR STUDENTS HERE AND IN NEW ZEALAND

STILLNESS OF THE HEART

Yet another difficult subject, eh? Well, any subject is only as difficult as you think it is. The first obvious thing to say here is that of course we can't be talking about the stillness of the physical heart within the human body.

If the human heart is still it becomes lifeless. So, we speak about the stillness of the spiritual heart within the physical body. This heart is not a physical organ as such but is best likened to a chakra. As with all things, this vibrates at a defined level necessary to suck in energy to feed the spiritual being. It is therefore a misnomer to consider that the heart may at

any point be still. The title of this lesson is therefore founded on an incorrect assumption. Whilst it might be possible to reduce the level of the vibration of the heart, vibration being an energy form can never actually cease or at least be stilled to the point of zero vibration.

Now, let's look at what may be behind the topic of 'stillness of the heart'. Is it, that it should be considered that by the act of meditation, the heart chakra, in conjunction with all other chakras of the body is rebalanced? This can only be achieved by bringing down the speed of the vibrations where they have become out of sync with the originating spirit body.

Once rebalanced, each individual chakra can be brought back to the appropriate vibration. Yes my friends, we are of the opinion that this is an answer to this conundrum. In one of our multitudinous previous lessons we have referred to the stilling of the mind and body of the physical being as a route to enlightenment. We were referring to the necessity of removing surplus and unnecessary thoughts from the human brain to enable the equalisation with the spiritual mind.

Yes, this is yet another answer.

Each spirit body when taking human form arrives with the obligation to not only experience physical life on your planet but also seek the answers to all questions of the physical existence. Once again we say, as we have previously, it is up to you to discover not only the answers to the questions, but also what the questions are. We have been helpful here in assisting you, but it is really up to you to find out all for yourselves.

May love and light be with you.

~

THE PINECONE

You are sitting on your favourite bench in your garden, daydreaming on your favourite subject, whatever this may be. All of a sudden, a hard object descends rapping you on your skull. This is painful and you rub your head to alleviate the pain. What has happened, you wonder? You look down at your feet and see that a pinecone has fallen off the tree beneath which you are sitting. You bend and pick it up and start its examination. What do you

see before you? Basically a hard seedpod. In your physical world this is all a pinecone is, but here we intend to look at the metaphysical meaning and significance.

Hold the pinecone in your hand for a moment. Close your eyes. Feel the hard uneven texture of the surface. Now go deeper. Feel the vibration emanating from the centre of the inside. What is the vibration telling you? Does it not speak to you of new beginnings? To what new beginnings do we refer, you will be thinking here? Well my friends we refer to the opening up of your third eye and more specifically your pineal gland which resides in your forehead between your eyes. The pineal gland is the important instrument which allows connection between your physical existence and your spiritual existence. Its name is derived from its shape which resembles, yes you've got it, the pinecone! Since man became aware of the physical make-up of the human body man has known that this minute organ, which is buried deep within the brain, has magical powers. Possibly this could be more easily understood by you if it was described as being an amplified aerial which has the ability of picking up the wavelengths/energy/vibrations emanating not only from the spiritual body within the physical, but also without.

Now, let's get back to new beginnings. Many of you are already aware of what we speak of here, but for those which are only now starting of their journey the knowledge that we impart will assist in understanding the mechanics necessary to comprehend what is occurring. Unfortunately your physical world does not correctly comprehend the purpose of the pineal gland and for this reason its conditioning is considered of no importance. Human incorrect living has had the effect of freezing this organ of the body, not only preventing its vibration from occurring but also hampering the spiritual connection. Before you start on your journey it is up to you to discover the best way to re-energise the pineal gland, but let's give you a little pointer, a nudge in the right direction, and tell you that meditation will be of great assistance. Yes we know that we have said this before, but this is a truth which cannot be overlooked. Of course, there are other ways to re-establish correct working of the gland, but this is another topic in itself and we must rely upon you to carry out your own research. You will find that there is much to read and discover.

At one time the pineal gland was totally active and man had a constant dialogue with the spiritual world including the ultimate energy known to you as God. Consider the entities known as Adam and Eve as reported on in your Bible. Before their descent from the spiritual to become physical beings their pineal glands were fully active, but as punishment for disobeying their creator, we refer here to the eating of the fruit plucked from the tree of knowledge, their pineal glands were closed down considerably, their vibrations similarly slowed and their ability to coordinate with the spiritual realm became much if not at times totally restricted. Such restrictions have though in the main been removed but other forces, mainly of a negative nature, have restricted pineal reactivation. Be reassured that if you so desire, and we know that most of you do, although not consciously, reactivation and re-establishment of connection with the spiritual vibration can take place. It is totally up to you, get going.

May love and light guide your future path.

ADVERTISE

A GIFT FROM THE ELEMENTALS YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh. In her own words she tells the story.

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

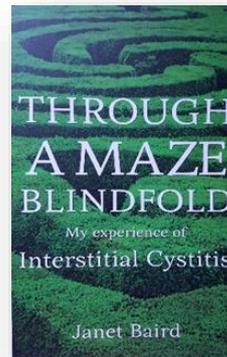

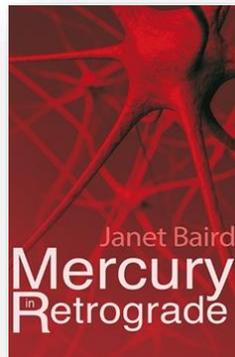

In love and light,
Yvette C. Abid
