THE PASSING OF A DEAR FRIEND AND EXCELLENT MEDIUM
MR ADRIAN BROWN

Our dear friend and wonderful medium, passed to the higher life on Saturday 30th June, after a few years of being unwell. We were able to light the candle to wish him well on his onward journey. He was a regular visitor to the centre and our other centres and fayres over the years and supported many other churches in the area. You would always see him with his little dog Buster an inseparable team, Busters picture is in our little books of remembrance and Adrian was very touched when he visited a week after Buster return over the rainbow bridge. They will be placed next to each other. Adrian's messages brought a lot of comfort and healing to those who were lucky to receive one. Changing peoples lives and we know of one lady whose life he saved through a message. You would also find Adrian at the spiritual fayres always ready to help and assist. He will be sorely missed by all those whom knew him. A true gent. Bless you Adrian on your onward journey. I have been asked to take Adrian's memorial service which is a huge honour, details below xx

16TH PAUL JOHNSTON

It was great to see Paul back with us, we were getting a bit panicky as Paul hadn't arrived, normally he is very early, you always worry when the medium hasn't arrived and breathe a sigh of relief when they do.

But Paul was alright and just got held up in traffic.

What a great evening we all experienced. One couple were given the most beautiful message and spoke about it afterwards. There was a lot of laughter, tears and total togetherness from all who were there. Malcolm received a message from his dad in a 3 way link, just because you work for spirit, it is wonderful when you yourselves receive a message. Much laughter when a mother and daughter were commented about being sisters. "Don't have my glasses on" said Paul

Paul was really bringing the crowd together, another couple had a message from his father, gave them his fathers hat, it was his beret, he was a Marine Comander and very proud of his father as you could see the receiver of the message beaming.

Paul thank you for your work tonight in linking the two worlds together.

~

23RD MADGE SUMMERFIELD

Madge again was on top form tonight, as she always is.

Great messages a lot of laughter when she reads her ditties out. Her cheeky one was so funny that with the laughter nearly brought the roof down.

3 ladies sitting at the front were commented to be like the 3 wise monkeys, which was really funny as you felt what she meant. But 3 beautiful messages were given to each of them. Beautiful message about loved ones, personal growth and peoples commitment to spirit was the theme of the evening.

A wonderful evening full of spirit.

Thank you Madge for your work tonight.

~

30TH CARRIE ANNE ROBINS

Well what a beautiful ray of sunshine. Carrie was interested in asking a lot about the centre and found it very interesting, she loved the energy that was being created in the

hall. Carrie asked if she could work up front, of course, but sometimes it is very hard to call the medium to time, so Lesleigh said that if Malcolm stands up that is a sign. Fantastic messages were given and amazing evidence. People confirming her evidence. Carrie gave on lady the film Bambi, with that Lesleigh started to do Thumpers sound of his foot saying, if you can't say anything nice, don't say nothing at all. Carrie thought Lesleigh's thumping on the table was Lesleigh calling her to time. So much laughter, would Lesleigh be so rude as to call some that way.

A great evening, Carrie has agreed to return for another visit. Watch this space.
Thank you Carrie for your work tonight

SUNDAY 24TH JUNE

JIM DEMETRI @11.00AM

What a beautiful serene morning, the meditation set the scene, putting people in that beautiful space to receive the words from Spirit. Jim always comes and sits in the meditation it does allow the medium to get into the perfect space for spirit communication. A medium does need to prepare to work after travelling to get to the church and sitting in the power is the perfect way.

Jim's reading was from White Eagle a reading that you could see was making people think, then his address from spirit was so inspiring. There is always some music played after the address so that we can all absorb the words from spirit. Some places go straight into a hymn and you want to say NO, I am still in the space to allow the words to filter into my consciousness.

Jim linked with a few 8 in fact which is very good in a divine service.

A beautiful morning in the company of Jim, his guides and your loved ones.

Thank you, Jim, for your work today.

DEMONSTRATION OF MEDIUMSHIP & SPIRIT ART

What a lovely church, we always get a wonderful welcome whenever we visit. Malcolm's messages were very deep and meaningful with people acknowledging what was being given to them, and Lesleigh did a couple of drawings which eventually were placed. Some people if they have never seen Lesleigh work before cannot seem to understand what Lesleigh means by for you, with you or around you. After the first message everything seems clearer. When people say I can take most of the info, Lesleigh then works with it again and you can guarantee that all the info can be taken.

A great afternoon in the company of spirit.

Wow, what a difference a year makes, normally hordes of people were coming through
the doors to book their readings.

Although numbers were down, but then it was one of the hottest days of the year,
(where would you be you have to ask yourself) the crystals and Lesleigh & Malcolm's
private readings were amazing. One lady must have a gallery of spirit drawings because
she has one every year. The end of the afternoon the president mentioned that
although there was a lack of people the whole event was a huge success,
which in this moment of time was excellent news!

A lot of hard work goes into organising this event and we would like to thank the
organisers for all their hard work and commitment to this event.

Then a quick dash up to the Lantern of Light.

ADVERTISE

A GIFT FROM THE ELEMENTALS

YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh.

In her own words she tells the story.

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badger, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid

PHILOSOPHY
~

Guidance received by Eileen Caddy

I AM Within Each One of You

Always remember there are many paths to the same goal and every soul has to seek and find their own path. Nobody can do this for you but you have to seek earnestly to find it. First of all you must know deep within your heart that all you want to do is to find Me, and walk in My ways doing My will. I AM within each one of you. But many souls choose the most devious routes to find this truth. They cannot accept it in child-like faith and belief, which is why so much time is wasted going round and round trying many different ways instead of going straight to the Source of all.

The direct path is there for all.
