SO, WHAT HAPPENED AT?

The Lantern of Light, Burgess Hill Reflections on February

CYPRUS HALL, CYPRUS ROAD, BURGESS HILL, RH15 8DX

We saw a very high standard of mediumship at The Lantern with

2ND NIGEL GAFF

What a great evening we shared with Nigel with his uplifting personality. There was a lot of upliftment from spirit and Nigel, some of the evidence you couldn't make it up. Great work Nigel. People were leaving with big smiles on their faces, they may not of received a personal message but were caught up in the total uplifting evening.

Thank you so much for your work tonight Nigel,
Look forward to you being one of our readers at our fayre in May.

~

9TH LOUISE EATON

What a wonderful evening with Louise, she arrived soaking wet as the heavens opened. Her dedication to spirit is awesome, travelling on the trains and waiting to be picked up from the station.

Louise was on top form by sharing some of her jokes to get the energy up,

The energy is always high in the hall as we play music from the time we arrive, and the crystals although for sale give off a positive energy, a win win situation all round. Lesleigh started talking about the programme ON THE BUSES, as Louise had to come on the bus and was mentioning Olive one of the characters. One new lady didn't receive a personal message, but her friend said that she did as her friend's mother was called Olive, and one of the songs that was played was her mother's favourite. Louise gave some wonderful messages, full of evidence and upliftment to those who received a personal message.

Thank you Louise for your work tonight.

~

16TH GAIL MOFFATT

Spirit got Lesleigh talking about the most obscure things sometimes, but it is always meant to be, tonight Lesleigh was impressed to talk about the Magic Roundabout and Zeberdee, Gail was blown away as her first cat that she saw that morning for the first time was called yes, you've got it Zeberdee. Gail placed a white light around everyone which was very beautiful. Gail gave one lady a beautiful message about angels, so meaningful to her as she works with them. Gail was working very direct with people tonight with off the wall evidence. Gail at the end of the evening said that she had received news about her mother that day, but Gail is like Lesleigh the show must go on.

Healing hugs to Gail and her mum.

Thank you Gail for your work tonight.

~

23RD SUE SMITH

Lesleigh spoke to one man when he came in looking very apprehensive, and was asked "Who dragged you along", which he confirmed, but he received a beautiful message later in the evening.

Sue had a wonderful evening, linking with so many in the congregation. There was a real buzz in the hall. 2 ladies arrived late, and received the last message, they were meant to be here tonight, spirit do impress people to come along. Great evidence was being given. One lady received a beautiful

message from her mother. When you are apart of a beautiful evening like tonight, you should all go home uplifted.
It was one of our regulars birthday and she had asked if she could bring along some nibbles, so after singing her happy birthday, and blowing out the candle on the cake that Lesleigh had made, we all enjoyed the buffet afterwards.
Happy Birthday to you darling xx
Sue, thank you for your work tonight in linking the two worlds together

How powerful are these meditations?

the Journey is channelled by Lesleigh's guide and those seeking the peace and serenity is never disappointed

Wow what an amazing journey the people there went on, the peace and serenity in the room was amazing, just by playing a different piece of music brought in the love and tranquillity.

You could see the depth that people had gone too.
It is beautiful to find that peace and love within yourself.

SUNDAY 24TH FEBRUARY
BRENDA CADE @11.00AM

It was wonderful to see Brenda, taking our Divine service, having recently moved to a different area, and not working for a while. Brenda was very nervous but with the love that is generated in the room she soon relaxed. After Brenda said the opening prayer, Lesleigh said that her guide was at the meditation, because the same theme was being given, the synchronicity was amazing, and those in the meditation agreed.

Her reading was a poem written by a young girl. So beautiful and meaningful, please read it below.

Again, there were a few new people in the congregation, all seeking to understand the depth of spirit.

Brenda did her address in Trance, and one new lady just sat there and sobbed, it certainly hit the spot with her. Brenda gave a few messages, but the messages touched everyone with the powerful address, Lesleigh spoke of Philosophy being the core of our movement and it is a shame that places are not encouraging it. One person, when they left said that they totally agree with her comment on philosophy.

One amazing morning in the company of spirit.
Thank you, Brenda, for your work this morning.

CAN'T YOU HEAR ME CALLING?

Can't you hear me calling, your name upon the breeze?
Can't you feel me watching, as you pray there on your knees?
Can't you sense the lightness, as now my pain is ceased?
Can't you see the brightness, my true soul is now released
Can't you hear me praying, that we shall meet again?
Can't you feel the moisture, as my tears touch you like rain?
Can't you sense my happiness, Reaching out to you in rays?
Can't you see our memories, Of oh such happy days?
Can't you smell the freshness, as each new day begins

Can't you forget anger, Pain, anguish and my sins
Can't you let go now, and let my soul be free?
And when we meet again my friend, my happiness you will see
So, can't you hear me calling, you're name upon the breeze?

Reflections on February

CHALICE OF LIGHT
WILLICOMBE HOUSE
WILLICOMBE PARK, PEMBURY ROAD,
TUNBRIDGE WELLS, KENT, TN2 3UU
SUNDAY 17TH @6.30 PM
DIVINE SERVICE WITH SPIRIT ART

Well mum was in her element as she was greeted with a huge armchair for her to sit in, slowly the hall was filling up. We had to wait for one lady, And that proved interesting later in the service.

An interesting reading and address that followed, made people sit up and think, as an address should do so.

Malcolm started to give his messages while Lesleigh began drawing spirit. One lady received a message which wasn't for her, but for her friend, the friend whom she had just been speaking to before the service, you really couldn't write this script. Malcolm gave a few messages and then handed it over to Lesleigh to give off her drawings.

Both were taken with a little prompting, Bless, Lesleigh gets there in the end, people just do not think out of the box and are too blown away with some of what Lesleigh writes down.

Thanks for using us tonight Spirit.

WEDNESDAY 27TH @2.30PM
DEMONSTRATION WITH SPIRIT ART

What a beautiful day for a drive to Portsmouth, wondering how many people who were going to be at the church, we arrived early at the church and slowly it started to fill.

Let's get ready to work and the energy started to build. Sometimes Malcolm says a few philosophical words, but this time went straight in to working.

Malcolm gave some beautiful messages.

Lesleigh did a couple of drawings which were both accepted along with the information. One person had the name Bridget, which they couldn't accept, but when Lesleigh gave them the drawing they had worked it out. They had just done an Imbolc ceremony or sometimes called "Bridget day".

This person wanted her picture taken with Lesleigh and the drawing of her grandmother. Lesleigh was introduced to a lady whom has been a working medium and involved with Enfield church for over 40 years. She commented on Lesleigh drawings, but remember Lesleigh said it is not me whom does the drawings, but that she is just the instrument like Malcolm is with his messages

Thank you Spirit for using us this afternoon

SANTA MONTEFIORE

One of Lesleigh's favourite authors, you often find spirit coming into her books, when Lesleigh first read one of her books, Lesleigh had to find out if Santa had done some wonderful research or she knew about spirit.

The article below explains her journey,

Her last book Lesleigh read is the

The Last Secret of the Deverills – Deverill Chronicles

Spirit is so well written in the book, that it would perhaps make a non believer have an enquiring mind

SANTA MONTEFIORE: 'I HAVE BEEN SEEING SPIRITS

FOR AS LONG AS I CAN REMEMBER'

IS THERE ANYBODY OUT THERE? OH YES, SAYS WRITER SANTA MONTEFIORE, WHO HAS BEEN SEEING SPIRITS AND HONING HER PSYCHIC POWERS FOR YEARS

By Santa Montefiore

It was the middle of the night when I woke up with a jolt. Opening my eyes, I found myself looking into the face of a total stranger. A middle-aged man was leaning over me. His face was just five inches from mine and he was staring straight at me. As I gasped, he stood up, moved across the room and disappeared into the darkness.

The truth is, I have been seeing spirits for as long as I can remember. It always happens when I'm in a semi-sleep. I sense something moving in the room that wakes me up. I flick open my eyes to find myself staring at shadowy figures shuffling about the room. Over time – and as I have fine-tuned my psychic antennae – these figures have become as clear to me as the real people I meet in daylight.

Like many people, my level-headed, intelligent husband is sceptical. He is prepared to accept that I'm not imagining that I see spirits, but, as he doesn't see any of the figures who prowl around our bedroom at night, he doesn't understand it and isn't really interested.

I was brought up in the Church of England, although I converted to Judaism when I married Sebag. But, despite my deeply conventional upbringing, seeing spirits is as natural to me as breathing, and something I welcome.

How wonderful to know that there is life after death, that our loved ones don't desert us.

I know many people will be surprised – it is often assumed that people who see spirits are wacky. I'm not at all hippy and, besides the crystals adorning my house, I'm rather conventional. However, seeing spirits is not a lifestyle choice – it's something that happens.

My spiritual journey really took off 12 years ago when a mutual friend introduced me to a wonderful psychic and healer, Susan Dabbs. She taught me how to meditate, which is key to developing your sixth sense, and has accompanied me on a magical spiritual journey, of which I am still very much at the beginning.

We all have a sixth sense. Children are particularly attuned – think how many of them talk to "imaginary" friends, which I believe to be spirits. But we gradually lose our ability as we get more entrenched in the material world. If you focus hard enough on your right arm you'll forget that you have a left.

It's the same with your much-ignored sixth sense. The fact is we are all psychic, but most of us dismiss our intuition as coincidence. We'll hear the phone ring and instinctively know that the caller is Great Aunt Mabel, to whom we haven't spoken for months. The more you become aware of it, the more you pick up.

And the more you meditate, the more you refine your psychic abilities. It was after meeting Sue that I saw my grandmother for the first time. She was in her eighties when she died, blind and quite disabled. But the woman I saw was in her fifties and wearing the faded kilt and sleeveless quilted waistcoat I remembered so well from when I was a little girl. She was slim and vibrant. She had obviously chosen to present herself to me from a time in her life when she was happiest. She had an iridescent quality that made her shimmer, and she was surrounded by this incredible aura of love.

I know now that you can talk to spirits telepathically but then I didn't know how to, and she didn't talk to me. She just stood there smiling. She only stayed a few minutes. It's very difficult for spirits to be with us for long. It's a two-way thing – they have to tolerate the dense vibrations down here and I suspect we have to develop the power to hold on to them. So, I simply

watched as she faded away and was left with this utter conviction that I had seen my grandmother. I have since seen many old friends who have died and been given information that I didn't know at the time, but later found to be true.

One thing is consistent throughout all my sightings: the main message they want to convey is that they live on and watch our triumphs and celebrations as spirits. It's as simple as that. Personally, I consider my ability to be a great privilege.

~

A GIFT FROM THE ELEMENTALS
YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh. In her own words she tells the story.

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid
