SO, WHAT HAPPENED AT?

The Lantern of Light, Burgess Hill Reflections on February

CYPRUS HALL, CYPRUS ROAD, BURGESS HILL, RH15 8DX
We saw a very high standard of mediumship at The Lantern with
FEBRUARY

1ST ROBIN HODSON

Our dear friend Robin had an amazing evening.
You really couldn't make up the evidence that spirit was giving Robin. One regular who is aware of spirit said that she is fully aware of spirit but really had it confirmed tonight with the evidence Robin gave her.
One gentleman's father came through who Lesleigh and Malcolm knew, it is wonderful when that happens.
It was great to see a lady's husband there who had the first message, he was obviously meant to be there tonight.
The energy from the people there was beautiful, such togetherness, like one large spirit family, which is what Lesleigh and Malcolm try to achieve.
One amazing evening Robin, thank you for your work tonight.

~
8TH MALCOLM PUTLAND

The energy in the hall seemed very flat when we Arrived, you never know what has gone on before during the day.

But with the music being played really loud before anyone was there, Lesleigh singing, it certainly changed the energy.

Energy is very important when the medium works, hence all the singing at the lantern.

There were new people again at the centre, one bringing along little furry baby, who when his guardian was getting a message came up to Malcolm and begged on his back legs, wish I had a camera.

Spirit really do come very close into Malcolm's energy field and loved ones prove themselves as many a time people have said to Malcolm that I could see him standing there or you did exactly what they would have done. One lady's family came through not using the queens English, Malcolm had to really censor some of the words, but it wouldn't of been the person if they were all holier than thou. Malcolm gave some evidence which was tentatively accepted as it was a surprise for the lady sitting next to the gentleman oops!

Some great evidence was being given, one link very hard to break as the communicator like having the floor and speaking to their loved ones.

One message was for a lady's neighbour, sometimes we can be the mediums medium.

One awesome evening
thank you, Malcolm, for linking the two worlds together.

~

15TH MARLENE WOOLGAR

Unfortunately, Lesley Hoube was unable to visit the centre due to ill health, so, sent healing hugs to her. Our dear friend Marlene visited the centre and had an amazing evening.

One family came along for the first time, the gentleman sitting there with his arms folded, until Marlene worked with him with amazing evidence, his jaw dropping, was certainly blown away by what he received. It is life changing when you get your first evidence. So many people think that mediums read the person that they are working with, wrong! How would such amazing evidence that only they know come through.

Marlene certainly proved the continuation of life after death tonight with those present. The last message sounded like Lesleigh's mum. Bless her, but she was tucked up in bed at time, she really does miss coming to the centre, she made a lot of friends here.

Evidence after evidence, one amazing evening.

Thank you, Marlene, for your work tonight.

22ND PAUL JOHNSTON

Lesleigh had arranged with a lady who makes candles to collect all the half-used candles from the lantern's display before the evening started, 4 large carrier bags full to the brim. She brought along a candle to give Lesleigh that she makes, ah thank you.

Her email, Thank you so much for the enormous haul of candle ends! Like you, I can't bear waste so rest assured they will be totally reused (quite possibly again and again!) and their aluminium outers recycled.

Nothing is ever wasted at the Lantern.

It was a great start to building the energy up in the hall, with Lesleigh's story of her actions with the water decanters, watching a film and not remembering the

name, someone else offering a title but Lesleigh had seen that one in the past, a naughty film and then laughter. Real belly laughing. And bless people not really understand what they were laughing at but following Lesleigh infectious laugh. Certainly, raising the energy and releasing a lot of stress from some people. They do say that laughter is the best medicine.

Well we didn't need the NHS tonight.

During the notices Malcolm brought down a cake that Lesleigh had made for Paul as it was his birthday a few days prior.

Paul was really touched by this gesture.

The final song was the icing on the cake with the title, "You raised me up", more laughter, you really cannot make this up, spirit really do orchestrate the evenings.

The last song, Lesleigh felt she was singing it from a guy's friend who came through. He said afterwards that it was his favourite song, he played it every day and it was played at this funeral. Perfect end to a great evening

Thank you Spirit.

In Paul words below in Italic, you really did have to be there to experience the whole evening.

From Paul

Had an amazing evening at the Lantern Of Light in Burgess Hill. A massive thank you to Malcolm, Lesleigh and the team, to all who came along, Bryan for taking myself and Kay and to the Spirit World. The atmosphere and the energy which everyone helped to create was just incredible! It all culminated in Malcolm bringing down a cake with one candle which Lesleigh had made for my birthday and everyone sang Happy

Birthday as he brought it to me, I was really touched, and to have my darling Kay with me made it complete. I can honestly say I have never been involved in an evening of mediumship quite like it! Words cannot convey what it was like,

*you would've had to be there to fully appreciate it.
As Craig Revel Horwood says on Strictly Come Dancing,
FAB-U-LOUS!!!*

Xxxxxx

Thank you, Paul, for an amazing evening

~

29TH VICKY DIPROSE

Well what with Storm Jorge, Coronavirus and dark nights only a few ventured out, but we all experience a wonderful evening, with amazing evidence.

Spirit was having a laugh with us as we sung "You are my Sunshine", with the rain pouring down, and at the end "Sailing", just love spirit.

It was great to see some of our new people there, those who have really connected with the whole evening. One gentleman, spoke of his message last week to his friends, who are totally on believers, but after sharing some of the evidence were having second thoughts. His friend even came through again tonight, with even more amazing evidence.

Vicky had a great split link with 2 people, it was great to see her working with both at the same time.

Vicky gave one-person "Gypsy tart" which was given in schools, Lesleigh or

Malcolm had never heard of it, so googled it, sounds interesting, schools in Kent were given it, that's why they hadn't heard about it. Might have to have one made. One lady has donated some wonderful jewellery that she makes for the raffle, and other have brought in some also. Many thanks for supporting us with the raffle it does help to keep the doors open with the ever rising cost of hiring the hall
Thank you Vicky for an amazing evening.

FRANKIE WHELAN

What a beautiful service we all experienced,
The healing part of the service was very powerful, Lesleigh read out a message from a member of the congregation, which caused emotion with us,
Words are so powerful.

Frankie read channelled work from May Clark about Gratitude, such inspiring words, Lesleigh shared a few words after as well
A beautiful service with people receiving evidence from loved ones, which blew their minds.

Even Lesleigh received a message with her dear friend coming through with uplifting words.

For some reason, Yes Spirit, Lesleigh was writing on the diary but on June the 24 and 25, giving that out to the congregation, it meant something to someone. Always trust in spirit.

It was a shame that there wasn't many there to experience it. Is the Beacon under-treat from visitors not coming, I know it is stormy out there, but come on spirit, let's get bums on seats to allow the centre to remain open.

Not an empty seat in the house,

It is wonderful to see so many seeking the truth that life is eternal.

There was a few there who had not seem Lesleigh and Malcolm working before, so Lesleigh explained how she worked then continued to do some drawings, then Malcolm explained again how he worked.

Ready to begin, with Malcolm bringing through loved ones from the world of spirit, proving beyond doubt that our loved ones are close beside us.

Lesleigh doing a couple of drawings with the informaton being taken.

Lesleigh afterwards had a couple of people

PHILOSOPHY & INSPIRED WORDS FROM OUR STUDENTS HERE AND IN NEW ZEALAND THE WORLD OF POSITIVITY

Hi there my friends. We are again with you to provide important information about the subject in hand.

As you move on through your life there are plenty of people who want to give you instruction as to what you should or should not be doing, or even the way that you're doing this. However, you will undoubtedly at some time be tormented by those two little creatures, one sitting on each shoulder, namely Good and Evil. Evil will whisper in your ear to take an action and Good will whisper, if not shout, in your other ear to do the opposite. These two creatures may be called Good and Evil, but they equally can be given the names of Positivity and Negativity. Yes, this is what your

world comprises, for it is one of balance. You see, you can't have one without the other.

Now, it has to be said that there is only one place where this rule doesn't apply and this is the World of Spirit. This is the only true World where negativity does not exist. You will of course respond that this can't be the case for surely Hell must be a negative place where positivity does not exist. This though is wrong. Whilst Hell may be considered to be situated in the basement, so to speak, of the levels of vibration of the Spirit World, it is still of a positive vibration, albeit a slow one. Whilst a vibration exists it must always be positive to some extent.

I am sure that you will find the foregoing of much interest, but I can hear the question that your forming in your head i.e. is there any way in which the World of Positivity can be the world of Mother Earth? Well, whilst this can't be done for the reason as before stated, namely 'balance', it is possible for each person to take it upon themselves to make their own lives one of positivity, at least as far as this is physically possible in the circumstances. Whilst inevitably we will say to you that it would be extremely helpful to meditate on the subject, there are other ways in which a positive state of being can be achieved, that is without any help by way of popping a pill! Many, many, many books have been written on this subject and basically, they all say the same thing, albeit in different ways. Following meditation, you could try chanting positive affirmations, which will help with your mindset. It is important to your physical well-being, if not your spirituality, to train yourself to see positivity in all things. You will be surprised at the wonders that will unfold before you when you try this. Those things that were previously a bind, will become a joy. Stress, which is of course all in your mind, can be dissipated in this fashion. You will feel love for your fellow human being. Surprisingly, at least for you, positive thinking allows you to link with the Universal Mind, the Ultimate Vibration or God (these being various names for the same thing). By so doing it is possible for your heart's desire to manifest. Now we are not going to tell you that this will definitely happen, but it is possible if by positive thinking you manage to raise your vibration to the correct level to achieve this. It is not sensible though to make this your final goal as your happiness should not be sacrificed on the altar of materialism.

There you have it in the proverbial nutshell. The World of Positivity is the World of Spirit. It is up to you as to whether your world, the physical world, is one of Heaven or Hell! Peace and love be with you always.

GIFT FROM THE ELEMENTALS

YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh.

In her own words she tells the story.

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid
