APRIL

6TH MELANIE BOND

Melanie was working very differently from the last time that she was with us,

Melanie was asking "whom would you like to speak to"?

She then brought forward the proof of whom she had with her, proving beyond doubt that it was the person that was requested.

Melanie brought through one lady's father, he gave his son a wonderful message. One lady's mum was not available as spirit have things to do in the world of light, but she could take all the information that was being given.

Everyone was very impressed with Melanies work tonight.

Thank you Melaine for linking the two worlds together.

~

13TH CARRIANNE ROBINS

Lesleigh as usual started sharing her past experiences which was making people laugh and putting them in the right mood for spirit communication, it is like having our own warm-up person, creating energy in the hall.

The singing was great, it all adds to the energy in the hall.

Carrie Anne had a fantastic evening with great evidence and quick flowing messages. One lady's friend was prompting her friend when she was receiving her message, it is good to have some one with you sometimes.

One lady who used to come to the centre came through, loud and clear.

It is wonderful when more than one person can acknowledge the communicator. A wonderful evening,

Thank you Carrie Anne for your work tonight
and driving all the way from Southampton.

~

20TH PETULA STOWELL

A wonderful evening, Petula spoke of the programme "a Pilgrimage to Rome", and how much it meant to her, and to a few other people in the congregation. A bit of philosophy came through. You can always hear wonderful philosophy at our Divine services. It was wonderful that a child came through to someone saying that the soul is never lost and is always part of the family and is being well looked after by family in the world of

spirit. One lady who is just starting a healing course with Lesleigh received a message about healing, so evidential. It is wonderful when our friends get a message in the audience and we can confirm what is being said.

What a magical evening, Petula is one of our readers at our fayre on the 12th.

Petula thank you for your amazing work tonight.

~

27TH BARBARA ALMOND

The lovely Crystal Barbara was back with us, all the way from deepest darkest Kent, bringing along her crystals. Barbara always gives the receiver of a message a crystal. Barbara commented on how great the singing was and wished that other churches/centres would do the same, as it really builds the energy. When you walk into a venue without energy it is like walking and then working through treacle.

There was wonderful laughter from the congregation and amazing evidential messages. Lesleigh has said before she always asks spirit what songs we are singing, the last song was "the Rose", at the end, Barbara said that the song was her sisters one and her partner always cries, he joined us at the mediums table with tears in his eyes.

One message for them both.....

Thank you Barbara for your work tonight.

SUNDAY 31ST MARCH

How powerful are these meditations?

*the Journey is channelled by Lesleigh's guide and those seeking the peace
and serenity is never disappointed*

A journey of peace and bliss was the flavour of the meditation, guiding
people through a scented garden, amazing, the peace and love in the room
was incredible. Wow what an amazing journey the people there went on,
just by playing a different piece of music brought
in the love and tranquillity.

You could see the depth that people had gone too.
It is beautiful to find that peace and love within yourself.

KEELY WILLIS @11.00AM

We welcomed for the first time Keely Willis to the centre, Lesleigh read a
reading from May Clark, Keely then shared her address from spirit. What a
wonderful amazing morning in the company of spirit.

Keely then linked a few with messages from Loved ones proving beyond
doubt that life is eternal. The tissues were being well used today, such
amazing emotional messages. Great evidence.

Again, the number of names in our absent healing book was amazing.
Absent healing is very powerful, remember if someone/pet is in need place
their names in the absent healing book or contact lesleigh or Malcolm to
place a name in the book.

Thank you, Keely, for your work this morning.

BEXHILL CHRISTIAN SPIRITUALIST CHURCH,

BEXHILL ON SEA
EAST SUSSEX TN39 3PD
WEDNESDAY 3RD APRIL @3PM

For an afternoon, the church was quite full. Malcolm linked some with their loved ones, proving doubt who he has with them, never giving up when they cannot place the communicator straight away. People always think in the box, just of nearest and dearest. Once they start opening their mind, they can acknowledge the communicator, Lesleigh did a couple of drawings.

SUNDAY 7TH APRIL @6PM

While we were waiting for the demonstration to start, Lesleigh was impressed by spirit to pick a piece of blossom and was told it was for someone. Malcolm in his usual way of working was giving messages with Guidance and off the wall evidence.

One lady kept saying Yes, Yes, Yes, she couldn't really believe the information that Malcolm was giving.

Lesleigh did a couple of drawings and the blossom was acknowledged. Lesleigh also read "the Wolves story" to one lady it was in her drawing pad, it made so much sense to her. One very awesome evening, full of love from Spirit, with evidential messages from Malcolm and drawings from Lesleigh.

Thank you Spirit.

PHOENIX CHRISTIAN SPIRITUALIST SANCTUARY
ST. JOHN'S AMBULANCE HALL,
OFF OF FORD ROAD. FORDWATER TRADING ESTATE,
CHERTSEY
SURREY KT16 8HG

WEDNESDAY 10TH APRIL @7.30PM

Oh, what a beautiful drive through the Surrey hills to get to Chertsey. Nice and early, time for a cuppa and a chat to our dear friend Barbara. They now do healing at the sanctuary before the service and all the beds were in use. There was a great crowd in tonight with a lot of new people, which is sometimes harder as they do not know how to work, Malcolm went to a new gentleman who was heard to say earlier that this is going to be a load of rubbish. But he was soon eating his words when Malcolm gave him accurate evidence, one after the other, what really blew his mind was when Malcolm gave him a bar of Toblerone, it is the only chocolate he eats, he certainly will now have to change his attitude to spirit communication. A lot of interesting evidence was coming through Malcolm for those in the audience, totally off the wall info, that you cannot deny if you are the lucky one to get a message. 2 were in tears, one man was in floods of tears after getting his truth, which is beautiful to be part of,
to allow them to share their emotion.

One gentleman's information had people laughing, something like that was mentioned in the opening prayer.

Lesleigh did 3 drawings all different. Lesleigh felt a different guide for one of the drawings, and the lady drawn was very beautiful and so life like, she was quickly taken with all the evidence falling into place. Another drawing was of a lady who had been murdered, and our dear friend Derrick Marney popped in a said his words "I was in alignment with the event". The similarities with the 2 murders were so similar. Lesleigh gave that the lady

was very religious and in reading the newspaper article after Lesleigh went searching and the papers mentioned her faith. The lady was in tears once Lesleigh allowed the deceased to communicate with her. The last drawing was attentively taken but once Lesleigh started reading her information to the lady, there was no denial that it was for her, info like you have been blocked - on Facebook, that was done that morning. Lesleigh spoke to the lady later about moving on, staying in her power and living in the moment.

Such a powerful evening in the company of spirit.

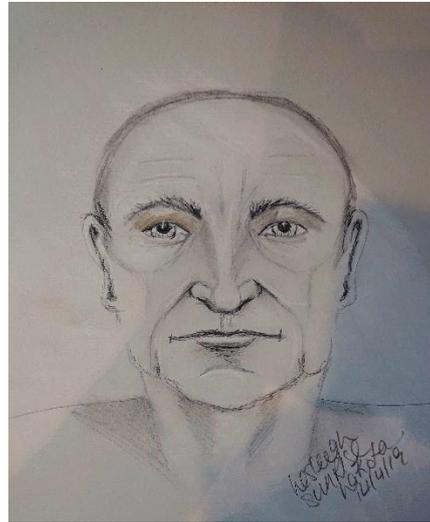

~
MAIDSTONE INDEPENDENT CHRISTIAN SPIRITUALIST CHURCH
100/100A TONBRIDGE ROAD,
MAIDSTONE,
KENT ME16 8SL
SUNDAY 14TH APRIL @6.30PM

How interesting the journey was, through the Sussex, Kent countryside. Putting us in a perfect mood to serve spirit until we had a diversion, fun and games getting to the church with nowhere to park, fortunately we could park on the church's forecourt.

The church was celebrating Palm Sunday with the crosses being given out, Lesleigh's mum mentioned that it had been years since she had received a cross, now it is displayed in her bedroom.

A beautiful address from Malcolm's inspires really made us think. Powerful words. Time to link with spirit, beautiful messages and 2 drawings, one which was drawn in colour, normally it is in Black and white.
Thank you Spirit for using us tonight.

~
BROTHERHOOD GATE SPIRITUALIST CHURCH
21C. ST JAMES STREET
BRIGHTON
EAST SUSSEX BN2 1RF
SUNDAY 21ST APRIL @5PM

Our dear friend Lyndi Molyneux was charing us tonight, the sanctuary downstairs was being used and in doing so Lyndi was playing music instead of singing a lot of hymns, a beautiful space was being created. You could feel the spirit love and being in the power. One lady said that I only come now when it is downstairs as I have mobility problems. There is not scattered energy also as everyone is sitting together. Lesleigh reading was well accepted and Malcolm's address resonated with some, it was deep but so relevant to those in the congregation.

Malcolm's messages were hitting the spot and Lesleigh did a couple of drawings which were accepted along with the information. We heard of another dear friends passing which was a shock to say the least, but it was beautiful that she came through Malcolm to Lyndi who were very good friends. Information that Malcolm didn't know was being brought forward. Lyndi was so grateful for Patricia coming forward.
A beautiful space for spirit.

~

PORTSMOUTH TEMPLE OF SPIRITUALISM,
73A VICTORIA ROAD SOUTH,
SOUTHSEA, PORTSMOUTH,
HAMPSHIRE, PO5 2BU.

WEDNESDAY 24TH APRIL@7.30PM

We arrived early and the hall started to fill up.

The difference with the afternoon and evening demos are amazing. There were a few new people who hadn't seen Lesleigh or Malcolm work before. A great evening was had by all, with Malcolm bringing forward amazing evidence and Lesleigh doing a couple of drawings, which were accepted. One lady was receiving a drawing for her friend who changed her mind about coming. Bet she wished she hadn't as the drawing was a family member who had not yet had her funeral. Malcolm's messages were off the wall with amazing evidence. A fantastic evening full of laughter and tears.

Thank you Spirit.

LIBRARY BOOKS

We purchased a lot of books over the years and some have been donated.

Still I have about 40 which are still overdue, can you please check your bookshelves, and please allow them to find their way back to the centre; we are going back years on these.

We know who has hired them; we would just like them back.

Many thanks in advance

PHILOSOPHY

FROM OUR STUDENTS HERE AND IN NEW ZEALAND

THE CRYSTAL-CLEAR OCEAN

Hi there shipmates. Attention, you lazy load of lubbers! Tis captain Tom here again to bring you some learning.

I know what you're thinking, me of all people, being an ex-pirate and all that, will be able to give you a crystal-clear answer on today's subject. However, as with the ocean nothing from the standpoint of your human existence can be said to be crystal clear. Firstly, there's the question of what crystal-clear means and secondly what is referred to as an ocean. Thirdly, is one referring here not as an observation of human existence but one prior to you taking such form? I choose this last question to expound on further, although, just to be difficult I might touch on items 1 and 2.

You see me hearties, from the standpoint of the spirit world from whence you originated, everything is crystal clear, and the ocean referred to is no more than a vibration. In fact, it is not a single vibration, but to use the vernacular, an 'ocean' of vibrations. Before you were born into your current body form, you, like myriads previously were shown the life that you were about to inhabit, its low points and its soaring high points. Everything about your future existence could be seen, yes, a true crystal-clear vision. The vibrations of your human form to be and the vibrations of everything that will occur during your lifetime on Earth, will be shown to you. If you take up the 'challenge', and believe me this is not the wrong word, your vibrations will be projected across the sea/ocean of what humans referred to as 'outer space', which of course isn't. You will take up temporary residence in the vibrational entity referred to as 'Mum', before being projected headlong into life. Now, some say that your physical form on Earth is not what humans believe it is. The vibration of your physical self on Earth started as a vibration being generated in the spirit world. As this is projected onto the vibration known as planet Earth, which of course was in itself initially a vibration generated in the spirit world, it could be thought of what humans perceive as flesh, blood and bone is no more than a holographic projection from the spirit world. Yes a projected form, a vibration sent from the spirit world and still connected to it whilst occupying the projected vibration form of the human being and living on

your planet formed of vibrations, lit and heated by the high vibrations of the Sun and formed of the low vibrations of the rocks and Earth. There is of course the vibration of the water/oceans, possibly more important to my previous pirate self don't you think? You see, life on Earth is not what you think it is. The majority of you really have no conception of what your existence is really about.

I hope that my rantings will give you food for thought and not lead to further confusion for you. You can stand down now. Time to go off duty.
Ha ha. The love vibration from spirit is with you all.

PASSINGS

Two very dear friend have recently passed to the higher life, but their passing's have come as a great shock. First our dear Buddhist friend Patricia Whiting, who was a great friend And a wonderful ambassador for her spiritual understandings. She was part of the Green Tara organisation in Brighton. You would always find her in the churches of Brighton, she even came to our fayre at Hove Town Hall as part of Green Tara. She was a great friend to many and now has been reunited with those whom have gone before her. She made her presence known to Malcolm as he brought her forward to Lyndi at Brotherhood gate church.

~

Another dear friend and Holistic Practitioner
TOM SYDENHAM

Has recently just passed to spirit after a short illness.

He will be missed by his family, friends and patients.

He had a wealth of knowledge that he was happy to share

Tom was due to do a talk at our next fayre, always willing to share,
he was so pleased to be asked.

We will miss your smiley face and wonderful bear hugs you gave.

I am sure you are guiding us all from the world of light.

Some of Lesleigh's friends on her Facebook page seemed to recognise him.

Tom worked out of 30 The Drive, Hove as an Acupuncturist

My Experience of Interstitial Cystitis

Janet has just had a book the first of 3 published about her journey with Interstitial Cystitis. What an amazing, thought provoking book.

Janet has well researched this subject and how mercury from our fillings can cause us many problems, a book that I couldn't put down.

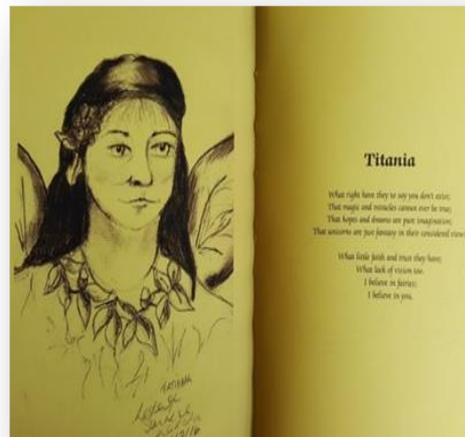

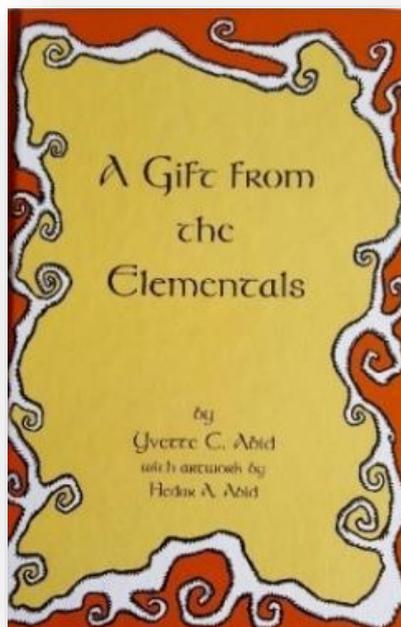

Good luck Janet with the sale of your book only £9.95

Available from Janet direct, at the Lantern on Saturdays, and online

A GIFT FROM THE ELEMENTALS
YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh.

In her own words she tells the story.

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid
