SO, WHAT HAPPENED AT?

The Lantern of Light, Burgess Hill Reflections on October

CYPRUS HALL, CYPRUS ROAD, BURGESS HILL, RH15 8DX

We saw a very high standard of mediumship at The Lantern with

6TH PETULA STOWELL

What a most beautiful spiritual gathering we all shared. A young lady spoke to Lesleigh at reception saying that her grandfather passed that morning, Lesleigh explained that they can come through the same day as they pass with their understanding. The Lantern and working publically have proved this time and time again. A while later her friend arrived, she was telling Lesleigh of his passing, which then they were both talking about. With that the lid of the money tin slammed down.

Lesleigh said he must be something to do with money.

Petula was sharing a bit about the past as she was going down memory lane which was making people who were there for the first time a lot of comfort. What very powerful messages were being given. You could hear a pin drop during the messages as we were all feeling the love from spirit.

One young lady received a beautiful message, from her grandfather, yes you've got it, it was the one that had passed that morning.

A lot of beautiful emotion flowed which we all shared. Lesleigh said to the lady in the notices that her grandad was into money, yes she said he was, hence the sign with the money tin, he was connected in a big way with American Express in Brighton.

Another message was given to a lady who admitted she was a bit of a sceptic, but her message was so powerful & emotional, that after she got up to leave with her friend, but Malcolm was on hand to take them both for a cup of tea and speak to them.

What a beautiful powerful evening full of Love and messages.

Thank you Petula for your work tonight.
Lesleigh felt so impressed to ring Petula the following day to talk about
the evening. As mediums/healers we never get to know how much we
touch people and the beautiful work we do.

Thank you Spirit.

~

13TH DEBBIE DEAN*

One very special evening, and it certainly was. Debbie in her usual way was
making people feel at ease, with stories of working with spirit.

Spirit always want us to go home uplifted.

Beautiful messages were being given and the most accurate drawing were
being created, Debbie works on a very quick vibration, but the likeness of
people is amazing. One lady was given some meaning advice from spirit
and a bunch of Roses, Debbie said you will get this again, when we sung
the last song Lesleigh commented how the songs are chosen by spirit
before the evening starts, and yes what was chosen for the last song but
"The Rose", that was her roses. Amazing messages beautiful delivered,
wonderful drawings, the perfect evening in the company of Spirit.

Thank you Debbie for your work tonight and
bring hope and upliftment to so many.

~

20TH MARILYN WEBB

Another one of those beautiful evenings, this month so far has been
beautiful, and tonight was no different. Lesleigh was taking about the sink
hole that had appeared in Cyprus road, with a couple in the congregation.
This lead to the subject of water, then links were made from where Marilyn
comes from, yes Waterlooville, yes they drive all that way to serve our
centre, we are so very lucky that mediums travel to demonstrate for us.
Great awesome messages were given to people who so needed to hear
from their loved ones.

The tissues were being passed around as the evidence was very heart
warming. Everyone who shares in the evening is part of the messages.

Marilyn had a connection with a John, 4 people could connect but
marilyn found where she needed to be.

You really have to be there to acknowledge the depth and love from spirit.

We were fortunate to have a visiting president from another church,
who loves coming to the Lantern when they themselves are not working.

What a wonderful message him and his wife received.

Thank you Marilyn for serving the centre tonight and the working for spirit in a most beautiful way.

~

27TH MIKE WILLIAMSON

There is no rhyme or reason with the visiting congregation, one week we are busy the next we are quiet, this is happening all over at the moment, so many presidents & mediums are saying this when they visit places.

Tonight was one of those, but the weather was bitterly cold. But a beautiful evening was had, with Mike linking the two worlds together. One lady was being cheeky with Mike and one dear gentleman who has not been very well with recent visits to hospital is getting back to his old self and the banter between him and Mike was wonderful to hear. Practical advice was being given, guides were coming forward and messages of hope were being delivered.

One amazing evening.

Thank you Mike for your work tonight

How powerful are these meditations?

the Journey is channelled by Lesleigh's guide and those seeking the peace
and serenity is never disappointed

Wow what an amazing journey the people there went on, the peace and
serenity in the room was amazing, just by playing a different piece of
music brought in the love and tranquillity.

You could see the depth that people had gone too.
It is beautiful to find that peace and love within yourself.

SUNDAY 28TH OCTOBER

ROBIN HODSON @11.00AM

Oh, what a beautiful morning, sounds like a song!!!

Ans it was an amazing morning shared in the company of spirit.

Robin had brought along a very interesting book to read from
OSHO "Living Dangerously" and the reading was about Science and spirit.
Very meaningful, his address that followed later was so inspiring, sharing
his introduction into spirit, and receiving his message that changed him
from being a sceptic to truly believing in spirit, and now being a beautiful
channel for them. With mediums and an understanding of spiritualism all
we do is prove the first line of heaven, that we can never die.

Beautiful messages were received from spirit and very one there felt the
love from Spirit.

One beautiful, meaningful morning.

Thank you, Robin, for your work today.

We know who has hired them; we would just like them back.
Many thanks in advance

PHILOSOPHY
FROM OUR STUDENTS HERE AND IN NEW ZEALAND

Love is in the Earth (earth)

Friends, we are here again to give you the information that you seek.
Wisdom and knowledge are wonderful things. With these two things you
can literally rule your World. We know that you already possess these two
faculties and are sure therefore that you really don't need us to give you
information on this subject. But we will be kind to you and help you out
in this instance.

In one of our previous lessons you were told that God created your planet
utilising the love vibration. Not only was the ground on which you stand
formed from this vibration, but also everything that stands and grows on
the ground, along with all living beings and animals. In fact, all universes
were created at the same time and your planet named Earth is only one
spec in the many millions of planets that exist.

Now, the question is, are we to consider here the word 'earth' to have the
first letter being upper or lower case? I'm sure that you will understand this
query. Are we to discuss the planet Earth or the soil under your feet? Well

the answer is, it doesn't matter as these are really you both the same thing!
Both were created by God utilising the love vibration. Both therefore
contain God's love within their structure.

A simple answer to a simple question. But, is this to be the end of the
answer? Well, we suppose that it depends on how deep you wish to go. As
we have said before, as you are one of God's creations formed from the
love vibration you are therefore as of the earth. On the death of the
physical body this is laid to rest in the earth and becomes one with it. The
love vibration of the physical form re-joins the love vibration of the soil.
Of course, the love vibration of the spiritual form goes elsewhere. Some
would be confused by this concept, but we know that you are not.

We should not be expounding on the topic of 'Love is in the Earth' but
the topic of 'Love is everywhere'. Indeed, as God created all things from
the love vibration, love is everywhere. So, apart from the Earth, which we
have already said is of this vibration, everything that you see, touch, smell,
or sense, were similarly originated. We know that this is very difficult for
most of you to comprehend as you have been fed incorrect information
on such matters since 'science' became de rigueur in your civilisation.
Proof positive has since then been the order of the day in such matters.
But my friends how can one prove the existence of the love vibration? At
present your 'science' does not have the answer to this. Maybe, within the
not too distant future the answer will be found. In the meantime, you will
simply have to have faith.

Once again, we are pleased to be of service to you. Peace be with you.

~ ADVERTISE

A GIFT FROM THE ELEMENTALS YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh.
In her own words she tells the story.

Titania

What right have they to say you don't exist,
That magic and miracle cannot ever be true,
That hopes and dreams are pure imagination,
That answers are just fantasy in their convoluted view?

What little faith and trust they have,
What lack of vision too,
I believe in faith,
I believe in you.

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid
