5TH JOHN COLLINS "PSYCHIC SURGEON"

What a fascinating evening we all experienced.

John treated Lesleigh's eye before the start of the evening. When John's guides had finished and Lesleigh was brought back she explained to John exactly what had happened. Lesleigh felt that they had put a stitch in her eye.

John said all that Lesleigh was experiencing was what his guides were doing. Some lucky people were treated by John and his guides whilst Louise Eaton was doing a commentary on what was happening which was fascinating to listen to, Louise is not medically trained but the words coming out of her mouth you would of thought so, Some of them you would have had to of been a doctor to fully understand, totally amazing to watch and listen to. Spirit are truly using these two beautiful souls to bring forward something thing amazing in helping people with different conditions.

"Never limit the power of spirit".

Thank you John and Louise for a magical evening.

There has been such a positive reaction with peoples comments.

John will be holding a monthly event in our new healing clinic "Brightlands" at Worthing

~

12TH LESLEY HOUBÉ

Lesley wasn't feeling too good, but managed to give a message to everyone in the congregation. Lesley works very quickly with spirit one new lady was in tears with her evidence. Lesley is very interesting to watch while she is working with spirit. Everyone was as inspired to receive a message, time up, but on last message to be given, and it was needed.

Thank you Lesley, for your work tonight.

19H JACKIE CHAPMAN

This was the first time that Jackie had worked at the centre, Jackie loved the energy and could hear Lesleigh building it up singing while sitting in her car.

Also indulged in a little retail therapy with our crystal angel shop.

Jackie and other commented on the music being played when they came in as it was making them feel like they should be on holiday, music is very important to build the energy when the hall is used for so many other events.

Another quick firing evening with messages being acknowledged and the information accepted.

Jackie evidence was amazing, had people with their mouths open.

Lesleigh also had to signs from Jan Dayton, First when Lesleigh was putting out the tables a butterfly flew out and stayed with us for the evening. As the 2nd song was playing it went on to the next one which Malcolm quickly stopped, it was a song that Lesleigh mentioned to Jan once when she was working, it was her mum's favourite song, "You needed me" another sign.

Be open friends to receive signs your loved ones gives us from spirit.

Thank you so much Jackie for a beautiful evening.

~

26TH MADGE SUMMERFIELD

14TH YEAR ANNIVERSARY

What an enchanting evening with spirit

Madge explained it is not who you want to talk to but who wishes to communicate with you, and that it is audience participation, so

"if I am no good it is your faults"

which is very true, we are all part of the evening.

Madge started her usual way with a spiritual poem she channelled and then went

On to read a little ditty which made everyone laugh.

There was a very small turnout for our 14th Anniversary, but that didn't deter us, all the food went so nothing was wasted. Thank goodness for the trusty faithful who support us!

One lady had a very meaningful message which was great to experience and share in.

So now into our 15th year, so much has happened at the centre, so many people who have become healers, working mediums, organisers of their own centres and healing clinics.

So many put on their path way.

Thank you Spirit for giving us the strength and commitment to do this every week.

Thank you Madge for a wonderful demonstration of beautiful mediumship.

 GAIL MOFFAT

As I burst into song, "OH what a beautiful morning" and it certainly was. Gail and her inspirers brought forward an amazing address, and Lesleigh said after your guide also did the meditation because it was basically word for word, the synchronicity with spirit is amazing when you connect and listen to their guidance.

At the end of the address one man clapped so every one joined in, and it deserved that.

So beautiful, inspiring & meaningful.

Gail linked with a few bringing forward words of encouragement

BOGNOR REGIS SPIRITUALIST CHURCH,
 SUDLEY ROAD, BOGNOR REGIS
 WEST SUSSEX PO21 1EJ
 THURSDAY 3RD AUGUST @2.00PM
 DIVINE SERVICE: MEDIUMSHIP & SPIRIT ART

Bognor church have started to do an afternoon service, which is in its infancy stage. It is great that the church has put on this service as not everyone wishes to venture out of a night or a Sunday. Although a small congregation the energy was lovely, truly honouring spirit.

Malcolm did his address on the hymn "Make me a channel of thy peace" it made people realise what we are responsible for "Personal responsibilities", we are peace and love, we need to send it out in abundance and allow it to flow back.

Malcolm linked with a few in the congregation and Lesleigh did a couple of drawings. they were accepted straight away, there was no auction today ha ha.

Lesleigh was impressed to wear red shoes and when linking with spirit was drawn to them, Lesleigh gave them off but were not accepted, but before the end of the service she said to Lesleigh publically, I know where the red shoes fit now, I wore them to my boyfriends funeral I had forgotten.

Thank you Spirit for using us today

They did cram so much into this small church with readers and food upstairs, demonstrations in the main church all day. Lesleigh and Malcolm did an 1 hour & 1/2 dem which was well received. Malcolm went to one lady who had never been to a church before and was blown away by her message.

Lesleigh did a few drawings which were all accepted with joy on the receiver's faces.

DIVINE SERVICE WITH SPIRIT ART

Always a joy to visit this church, an interesting crowd greeted us.
The reading spirit choose, Malcolm said was very deep, but for a divine service that is what
Spirit chose. We never know the depth of a reading or an address
how it can change someone.

Malcolm gave some interesting readings and Lesleigh a couple of drawings.

~

CRAWLEY SPIRITUALIST CHURCH

SUNDAY 20TH AUGUST 6PM

DEMONSTRATION OF MEDIUMSHIP & SPIRIT ART

We were asked to step in as our dear friend Lesley Houbé was not
feeling very well.

What a beautiful evening with spirit, full of emotion, laughter, meaningful philosophy
and a reading from Burning Sand the guide for Louie Hill published in 1953,
what a gem of a book, so relevant today as when it was first published.

It is sadly now out of print.

Malcolm address on the reading hit home to a few in the congregation,
Malcolm's messages were very inspiring as well, with spirit giving evidence
and meaningful information. Lesleigh did a couple of drawings which were
taken with people blown away with what they were witnessing.

Thank you Spirit for using us tonight.

~

PORTSMOUTH PROGRESSIVE CHURCH

2 VIVASH ROAD PORTSMOUTH HAMPSHIRE PO1 1PR

WEDNESDAY 23RD AUGUST @8.00PM

DEMONSTRATION OF MEDIUMSHIP & SPIRIT ART

Interesting, when we arrived there was another medium there all of us had been
doubled booked, we would have been okay to be part of the congregation,
but the other medium was happy to have a night off and didn't live too far away.

In all said and done spirit knew we should be working.

One 92 year old sat right where Lesleigh was going to work,

but Lesleigh being Lesleigh said

"don't worry I shall work around you", she was hard of hearing, at least she
wanted to sit at the front and hear, bless her. When Lesleigh came from
upstairs to work the lady had rearranged the chairs.

Again a beautiful reading and a meaningful address was given.

Then Malcolm started linking with people in the congregation, many
tears were shed,

inspiring messages were given while Malcolm was working

Lesleigh did a couple of full colour portraits.

The first one was accept and as Lesleigh started to work with the information
which was being accepted half way through the little lady said I can take

George,

we then had a double link. Which can happen many times
in a service. The auction
had started. The lady couldn't really hear so Lesleigh had to keep repeat herself,
then the next piece of info had the congregation roaring with laughter,
as Lesleigh writes her info down it can be used as evidence.

It said "can't seem to hear"

This banter with the lady and Lesleigh was really uplifting, what a character. The other
lady could also take the info, As Lesleigh went to separate the info for
the drawing the 92 year old said it is my sister, miserable woman, I don't want to take
her home with me. The other lady was happy to.

Everyone when home with so many emotions, tears of healing and a belly laugh
what will ache for days.

Thank you Spirit for using us tonight

Events, Fayres & Workshop Reviews

The celebration of JAN DAYTON life

Jan's life was celebrated in style

With everyone wearing butterflies, and bright colours, the service was taken
by her dear friend Anne Wright and was very serene.

Time to reflect with beautiful music and songs.

You will remain always in our hearts Jan.

God bless you on your continued journey in the realms of light.

The celebration of JIM COLLINS life

What a beautiful Spiritualist funeral to honour the life of a
true power house for spirit.

Jim sat in so many circles for physical mediumship and supported so many

churches and centres, the Lantern included.
Rev Lyndi Molyneux conducted the service with poise and grace, saying to Lesleigh it is very hard to conduct a friends service, which Lesleigh knows only too well. Lesleigh was asked to read a poem by his son John Collins which she was very honoured to do,
we would like to share the words

THE DEMENTIA PRAYER
DO NOT ASK ME TO REMEMBER
Do not ask me to remember,
Don't try to make me understand,
Let me rest and know you're with me,
Kiss my cheek and hold my hand.
I'm confused beyond your concept,
I am sad and sick and lost.
All I know is that I need you
To be with me at all cost.
Do not lose your patience with me,
Do not scold or curse or cry.
I can't help the way I'm acting,
Can't be different though I try.
Just remember that I need you,
That the best of me is gone,
Please don't fail to stand beside me,
Love me 'til my life is done.
- Owen Darnell

God bless you Jim on your onward journey, now working from the realms of light.

ADVERTISE

A GIFT FROM THE ELEMENTALS

YVETTE C ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh. In her own words she tells the story.

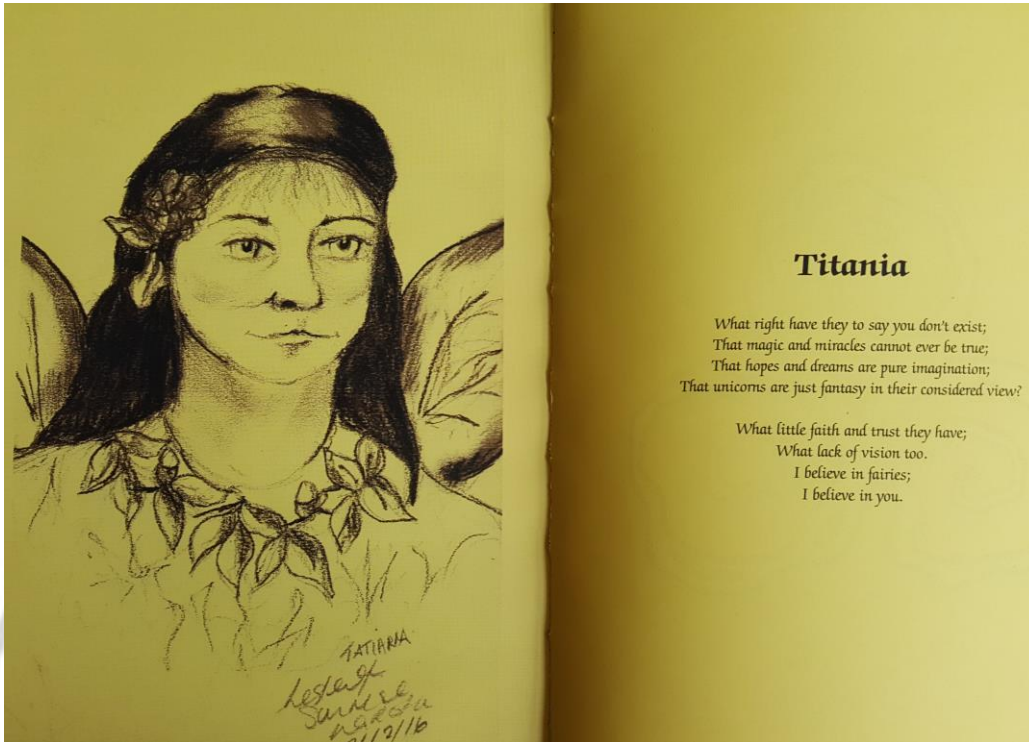

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist (www.the-lantern-of-light.com) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

In love and light,
Yvette C. Abid

Titania

What right have they to say you don't exist;
That magic and miracles cannot ever be true;
That hopes and dreams are pure imagination;
That unicorns are just fantasy in their considered view?

What little faith and trust they have;
What lack of vision too.
I believe in fairies;
I believe in you.

TWO WORLDS MAGAZINE
What is this you might say?.

Two Worlds was founded by famous medium Emma Hardinge Britten in 1887.

Now a 76-page monthly magazine, it is edited by Tony Ortzen.

Tony has been involved in the paranormal for forty years.

He has known and interviewed some of the world's leading mediums and acted as consultant to various publishing companies.

This is a very interesting magazine, you can find various churches/centres advertising their activities for the month.

It is celebrating 130 years in production. We have some very old editions which like today's publication have some interesting articles.

You do not need to be a spiritualist to read the magazine, it covers so much.

We sell the magazine which is only £1.50 so please check it out.

PHILOSOPHY

Some interesting words from our Philosophy groups channelled by spirit

PRINCIPLES FOR LIVING:

- ◇ Be gracious and independent
- ◇ Listen to the differences others offer, for everyone has their own view of how things should be according to their own experience.
 - ◇ Honour the ideas and opinions of others.
 - ◇ Be of open mind.
 - ◇ Be truthful to self. Be truthful to others.
 - ◇ Have integrity in everything about your being, always.
- ◇ Show you care when you do and show you at least give thought to that which you disprove of.
- ◇ Be not the judge of others unless you have walked in their shoes.
- ◇ Take pleasure in material gain but never allow material things to rule you.
- ◇ Take joy in learning new things no matter what it is. Your soul desires to learn.
- ◇ Live in the now. Be ever present. Do not mourn for things past. Do not be concerned for the future too long. If it is in the past it cannot be changed and the future is yet to happen. Be joyous in the now. Stay connected to your soul's desires.
 - ◇ Be inspired and creative, for this will feed your soul.
 - ◇ Treat everything and all beings with kindness and compassion.
- ◇ Never forget who you are. You are Spirit... You are loved. You are free.. You are going back home one day
 - ◇ Be humble and be kind to self.

PHILOSOPHY GROUP'S HOMEWORK

Animals bring you comfort where there's pain, when your sad they feel your feelings, they're characters are like many people.

If humans take the time to look within, animals are loving and feeling creatures, full of emotion. Who get anxiety, nervousness, shy, jealous, protect, nurturing and much more some have court ship.

Animals stand by your side through ups and downs.

They tell other animals this is my human, my garden, my patch. Cats are loyal but a lot of people cannot see that, if humans take the time to look within, cats do not leave you when you are kind to them.

Humans are not better than animals we are all worthy of love, respect, kindness and understanding.
