SO, WHAT HAPPENED AT?

**The Lantern of Light, Burgess Hill  
Reflections on August**

CYPRUS HALL, CYPRUS ROAD, BURGESS HILL, RH15 8DX  
We saw a very high standard of mediumship at The Lantern with

4TH GAIL MOFFAT  
"NEVER LIMIT SPIRIT"

This is our mantra for spirit, and Gail certainly didn't tonight, her guides asked her to do something different. This had people sitting up paying attention as her guides wanted to talk, but not in a trance state. Gail explained who they were and why they were working with her. One was Sebastian who has been doing amazing healing on Gail's mother, one lady was fastinated on hearing this as she was told that there was no cure. Questions were answered, loved ones told us of their working role in the world of spirit, which was very interesting, one lady was overjoyed when her mother said what she was doing.

one amazing fascinating evening. Gail felt that we would be open for her to work in this way, and she was right.

Lesleigh felt the closeness of spirit  
all the time Gail was working.

One very powerful evening  
Thank you Gail and your team of guides  
for a wonderful evening.

~

11TH BILL ROBERTS

Well this was a very interesting evening, Bill had driven 50 odd miles to be with us, only to be greeting with a few in the congregation, and asked spirit what is this all about, and was then told do a trance demonstration. He first spoke to Lesleigh & Malcolm who asked the few that were there. The answer was yes, what a wonderful demonstration of Trance we received. The evening lost a lot of money, but the people there really had a fantastic experience. Bill does a lot of trance and it was interesting to listen to some of the messages given from his guides. One gentleman is just joining a trance circle and was blown away by the evening. The Lantern is always open to sharing different experiences.

"Never limit spirit" is their motto.

One fantasting evening, Bill and your guides,  
Thank you for your work tonight.

~

18TH IAN TAYLOR

After lighting the candle for Aretha Franklin Lesleigh  
Had everyone listening to "Say a little Prayer".  
That lead us into a beautiful prayer for spirit to connect with us.  
The one and only Mr Ian Taylor from London travelled down  
to be with us. What another fascinating evening  
we had, full of wonderful evidence, memories, recent events,  
all how a medium is taught they should give a message.  
Another wonderful evening,  
thank you Ian for linking the two worlds together.

~  
25TH SUE SMITH

**ANNIVERSARY PARTY 15 YEARS**

Party Time, our very dear friend Sue was our medium, and what a fantastic evening we all experienced. It was lovely to see some friends that we hadn't seen for a while.

A beautiful first message to a regular then a very emotional message to a new lady. The love that was pouring forth was amazing,  
Spirit love is awesome.

The understanding of White feathers, butterflies and sign were given.

Spirit are so very close to us in whatever we do. Lesleigh can feel them around her as she is writing the newsletter, it is someone who cannot spell as some of the words Lesleigh is spelling.....well she needs her own dictionary.

After Sue's demonstration we celebrated 15 years at Burgess Hill with Nibbles and 2 of Lesleigh's homemade cakes.

Thank you Sue for a wonderful evening and being part of the centre yourself for all of the 15 years.

How powerful are these meditations?

*the Journey is channelled by Lesleigh's guide and those seeking the peace and serenity is never disappointed*

Wow what an amazing journey the people there went on, the peace and serenity in the room was amazing, just by playing a different piece of music brought in the love and tranquillity.

You could see the depth that people had gone too.

It is beautiful to find that peace and love within yourself.

BLII ROBERTS

What a beautiful Divine Service, there is something very special about this event.

Bill shared an interesting reading from the book "The Afterlife of Billy Fingers"

It certainly gave you another perspective on things.

One gentleman downloaded the book straight after the service.

His address was very powerful on the subject, amazing words.

Then time to link with loved ones, bringing forward beautiful messages of hope and upliftment, One lady Pam (I have her permission to use her name) received a message, but had been asking her husband to come through, he obviously wasn't listening as he was arranging something else for her, please read the very end. He always used to say "I am in the Pink"

And Pam was wearing Pink.

Bill was on a role and Lesleigh had to throw out her fishing line to bring him back, it is always hard to call a medium to time,

but we are always up against time.

Time afterwards for a chat and a warm drink.

After packing away we all headed put to the Hassocks Pub for Lunch, the weather was dreadful, lashing down with rain soaking us all.

Whilst waiting for our food one of our ladies picked up the reserved sign with laughter and then put it down. Lesleigh then joined in and turned it over. There was another reserved sign on the back, this time though, with a name on it, it wasn't ours but the name Ken.

With a smile on her face, Lesleigh said to Pam, Here is your message Pam, what was her husband's name, but Ken, she had an empty seat next to her and that is where the reserved sign remained. Just love the synchronicity of Spirit

Thank you Bill for a wonderful service.

SUSSEX RD  
WORTHING BN11 1DS  
EVENING OF CLAIRVOYANCE  
FRIDAY 3<sup>RD</sup> AUGUST @ 7.30PM

What a hot barmy evening, what a wonderful venue Swans now have. This was a rare opportunity to see Lesleigh & Malcolm working in Worthing, now their home town.

There were a few in the congregation, Malcolm was able to give everyone a message apart from one lady, but she was fortunate to receive one of Lesleigh's full colour portraits. Malcolm's messages were very accurate with people confirming the information and the communicator, great feedback. Lesleigh did 3 drawings which were accepted and acknowledged. One lady placed the pictures on her Facebook page, and said to Lesleigh's that her and her daughter with gain a lot of wisdom from these portraits.

When you work with a portrait a lot of info can be given to yourselves and many a person has told Lesleigh on how the portraits move, i.e. their eyes mouths etc.

One great evening in the company of spirit.

DIVINE SERVICE  
SUNDAY 5<sup>TH</sup> @11.00AM

Such a beautiful organised church.

As the Divine service is held in the main body of the church upstairs Lesleigh mum had to use the stannah stair link, the first time ever,

Going up!.....

The first hymn really pleased Lesleigh mum as it is her favourite.

"How great thou art".

There she was singing away, but as the morning wore on

Lesleigh looked and she had disappeared, she had her head on the next chair, and one of the officers of the church assisted her, again it happened, but this time a glass of water went flying, bless her.....she is taken to every service and dem with them. What a wonderful service from spirit. The chosen reading was Inspired from "Red Cloud Speaks" channelled through Estelle Roberts. Very deep, as was the address, but spirit chose it for that Church as they enjoy the philosophy.

After the service the chairperson said that you went to 2 mediums One just happened to be the lovely Val Williams known to a few we know she was visiting for some r& r from Blackburn. She said that Estelle Roberts was the first person that she saw, funny her book was chosen.....we know otherwise

~  
BROTHERHOOD GATE SPIRITUALIST CHURCH  
21C. ST JAMES STREET  
BRIGHTON EAST SUSSEX BN2 1RF

SUNDAY 19<sup>TH</sup> @5.00PM DIVINE SERVICE WITH SPIRIT ART  
The church has had a refit, but still the essence of the much loved church in the middle of Kemp Town Brighton still exists. This church is were both Lesleigh & Malcolm did their platform training under the guidance of Betty Horne. You can still feel her presence in the church, after her presidency giving 20+ years of dedication to spirit, it is no wonder.

The church had a small gathering, but the service was very meaningful. Lesleigh read "The Invitation" by Oriah Mountain Dreamer (find it at the end of the newsletter) and the chair person said she had never heard it before and how powerful it was.

Malcolm's address from his guides certainly made the congregation sit up and listen, very thought provoking words that spirit wanted us to hear.

Malcolm then explained how the evening was going to go, but do people really listen, Think not with some of the answers Malcolm was receiving. Still once they acknowledged how to work the evening went well with messages of hope and upliftment and evidence of loved ones acknowledged.

Lesleigh did a couple of drawings which were accepted one being a ladies grandmother who was thrilled. Lesleigh was chatting to a lady

afterwards whilst packing up who went home with a positive spring in her step, just a few positive words can really change a person's attitude to life, if they take it on board that is.

One lady came up to Lesleigh at the end and just wanted a cuddle as she remembered them from 10 years ago when Lesleigh helped her with the loss of her baby.

Thank you spirit for using us tonight

Time to thank a very dear friend of Lesleigh & Malcolm's and the church for coming and sitting with Lesleigh's mum as she cannot make the stairs. A good chat was had about the Spirit of the Horse that she had recently been to see.

Many thanks x

### LIBRARY BOOKS

We purchased a lot of books over the years and some have been donated.

Still I have about 40 which are still overdue, can you please check your bookshelves, and please allow them to find their way back to the centre; we are going back years on these.

We know who has hired them; we would just like them back.

Many thanks in advance

### PHILOSOPHY

#### FROM OUR STUDENTS HERE AND IN NEW ZEALAND

Through a maze blindfold

Well my friends, life is really one big conundrum isn't it? What is it all about you may ask? I'm not about to give you the answer as this is up to you to find out! However, let's talk about the subject in hand.

Some may think that their time on Earth is like running through an imagined maze, you don't know where you're going and you don't know where you're going to end up. But have any of you ever considered that the maze is there for a reason. Indeed, could it be that this maze is acting as a form of blindfold. Your life would be too easy if the roads that you have to travel on are all straight and your goals are there in plain sight and within easy reach. You are told that nothing easily achieved is worth having. Whilst this is not necessarily the case, this is often so.

How about looking at this matter in a different fashion? Suppose that you were walking along, not as you usually do with your eyes wide open and striding ahead, but this time facing backwards. This would make where you are going somewhat awkward would it not? You would stumble over obstacles in your way and you may end up flat out on your back. You wouldn't just lie there and to give up would you? No, you would get to your feet and walk on, albeit backwards, to get to the point where you are aiming. Not easy I know but you will eventually arrive and you will have a sense of achievement in doing so.

So what are you to understand from what has been said here? Again I would say that it is for you to consider and reach a conclusion. Could it be though that there is not one straightforward answer but many? 100 people will reach 100 different conclusions. Is your life really a maze for you to struggle through or is it simply that this maze is self-imagined or should I say self-imposed. Most of you just like to make things more difficult for yourself. Your life is not straightforward and there are many lessons to be learned before you return Home. Could this be one of them? Now, you may believe this is the case and if so what action have you resolved to take to remove this maze? Stand by this resolution and act it out, you will be amazed at the result!

A GIFT FROM THE ELEMENTALS  
YVETTE C. ABID NEW BOOK

Yvette was at East Grinstead Spiritualist Church one Sunday morning and received a drawing from Lesleigh. In her own words she tells the story.

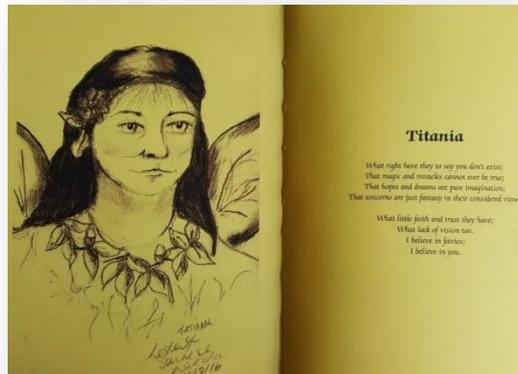

This book was given to me over the course of just three or four months at the beginning of 2016. When two of my children moved back to live with me at the end of 2015, I had found it difficult to find the time to meditate. I picked up pen and paper and just sat still, whereupon the words just seemed to flow, non-stop, for three months.

One particular poem, "Titania", was a light-bulb moment, when I realised these poems really had to be published. I had written "Titania" on a scrap of paper late one night, but was reluctant to put it in my manuscript book, believing people would think me ever so slightly bonkers to admit to a belief in fairies! However, I then received a message from the spirit world, channelled through the medium Lesleigh Badgery, thanking me for the work I had been doing. Lesleigh is a gifted spirit portrait artist ([www.the-lantern-of-light.com](http://www.the-lantern-of-light.com)) and provided the illustration of Titania (although she thought the name was Tatiana) before the clairvoyance service had even begun at my local Spiritualist Church. She had no idea of my close connection to nature and certainly hadn't a clue that I'd just written a poem about the Queen of Fairies!

Never having written poetry ever before, I suppose you could say this is my debut collection. However, I have no idea if I will be given any future volumes, so please enjoy this one while you can!

THE INVITATION  
BY ORIAH MOUNTAIN DREAMER

It doesn't interest me what you do for a living. I want to know what you  
ache for, and if you dare to dream of meeting your heart's longing.

It doesn't interest me how old you are. I want to know if you will risk  
looking like a fool for love, for your dream, for the adventure of being  
alive.

It doesn't interest me what planets are squaring your moon. I want to  
know if you have touched the centre of your own sorrow, if you have  
been opened by life's betrayals or have become shrivelled and closed from  
fear of further pain! I want to know if you can sit with pain, mine or your  
own, without moving to hide it or fade it, or fix it.

I want to know if you can be with joy, mine or your own, if you can dance  
with wildness and let the ecstasy fill you to the tips of your fingers and toes  
without cautioning us to be careful, to be realistic, to remember the  
limitations of being human.

It doesn't interest me if the story you are telling me is true. I want to  
know if you can disappoint another to be true to yourself; if you can bear  
the accusation of betrayal and not betray your own soul; if you can be  
faithless and therefore trustworthy.

I want to know if you can see beauty even when it's not pretty, every day,  
and if you can source your own life from its presence.

The Invitation by Oriah Mountain Dreamer, book cover

I want to know if you can live with failure, yours and mine, and still stand  
on the edge of the lake and shout to the silver of the full moon, "Yes!"

It doesn't interest me to know where you live or how much money you have. I want to know if you can get up, after the night of grief and despair, weary and bruised to the bone, and do what needs to be done to feed the children.

It doesn't interest me who you know or how you came to be here. I want to know if you will stand in the centre of the fire with me and not shrink back.

It doesn't interest me where or what or with whom you have studied. I want to know what sustains you, from the inside, when all else falls away.

I want to know if you can be alone with yourself and if you truly like the company you keep in the empty moments.
